1	The total number of suicides reported within the campus of each IIT for each year from 2014 to the present year, 2024, inclusively.	0 (Zero)
2	The demographic details (such as age, gender, and academic program) of the individuals involved in each reported suicide within the campus for each year from 2014 to 2024.	Not Applicable
3	The reasons cited, if available, for each reported suicide within the campus for each year from 2014 to 2024.	Not applicable
4	The measures or initiatives, if any, undertaken by each IIT to address mental health concerns and prevent suicides within the campus since 2014.	Some of the measures taken by IIT Jodhpur to address mental health concerns and prevent suicides are: 1. IIT-Jodhpur currently has two permanent residential counsellors, one visiting counsellor, and one residential Well-being Moderator. They are highly qualified (One Doctorate in Psychology and Two RCI Registered Clinical Psychologists, and One with a Master's in Psychology). The Wellbeing Moderators reside in the student hostels to provide first-hand support in any mental health-related crisis. Appointment of more counselling personnel is considered from time to time as per the need. The identity of the students is maintained as confidential information. 2. The counselling team's mobile numbers and availability are informed to the students through regular mailers posters in the hostels. 3. The students' counselling team is trained on a regular basis and they act as a bridge between Counsellors and all students. 4. The Institute's Primary Health Centre has a visiting psychiatrist, who is also available on-call in case of emergency. 5. In case of a psychiatric emergency, students receive prompt medical attention and follow-up. 6. Year-long mental health awareness programs are conducted by the counselling team, including during the Orientation for new students and their parents, on important occasions such as World Mental Health Day,

		Suicide Prevention Day, and Nasha Mukt Bharat Pakhwada, and as regular focus group sessions (Wellness Circles). Recently, IITJ also launched a Wellbeing Newsletter to bring further mental health awareness to the campus community. To ensure 27x7 continuity of mental health support, IIT-Jodhpur additionally provides its students free access to the online counselling services through a platform named "Your Dost".
5	The effectiveness of the aforementioned measures or initiatives, as assessed by each IIT, in mitigating the incidence of suicides within the campus since 2014.	Not Applicable

Reference is made to advertisement No. Advt. No.: IITJ/O(E-II)/2024-25/Non-Academic Staff/57, postcode 5750 of Superintendent. Education qualification for the same is, Master Degree in any discipline or its equivalent with a 55% mark from a recognized University/Institute with 05 years of relevant experience in the Pay Level 6 or its equivalent. My question in this regard is		
1	Please clarify about pay level 6 or equivalent as I had worked in level 5 and index 18 ie basic of Rs. 48200 which is more than level 6, will be satisfying the conditions for the equivalent?	The word "equivalent" refer for pay of persons working in a non-government organization. The pay level of a person working in Government/PSU/Autonomous Body etc., shall only be considered as per their present pay level only
2	Relevant refers to what? if someone has administrative experience on the ibid pay level will satisfy the conditions for the mentioned post?	The "relevant" referes for experience of the Cadre/Department of the post advertised.

I am writing to you under the provisions of the Right to Information Act, 2005, seeking information regarding the status of the disbursement of my salary for the month of April 2024. I was employed as an apprentice at IIT Jodhpur and resigned from my position, effective 30/04/2024. I have duly submitted all necessary documents and cleared all dues as per the institutes guidelines. Despite multiple email communications to the concerned officers requesting the release of my salary, I have not received any response nor has the salary been disbursed to me. It has now been more than a week since my resignation, and the delay in the release of my salary is causing undue financial strain. In light of the above, I request the following information:		
1	The current status of my salary for the month of April 2024, including any reasons for the delay in its disbursement.	As per records, the remuneration has been released on 27.05.2024
2	Provide me a Copies of all communications(email & e-office), directives, or internal memos pertaining to the disbursement of salaries for the month of April 2024.	
3	A copy of the office order or any official documentation authorizing the hold on the disbursement of my salary for the month of April 2024. Specifically, I request details regarding the name and designation of the officer who authorized the hold. If the hold on my salary is in accordance with the Standard Operating Procedure (SOP) of the institute, please provide me with a copy of the relevant circular or office order that empowers the official to withhold the salary of employees.	
4	The timeline for the release of my pending salary.

1	This inquiry pertains to Bikash Santra's recruitment as an assistant professor in IIT Jodhpur's School of Artificial Intelligence and Data Science. The official website is https://research.iitj.ac.in/researcher/bikash-santra However, there are several concerns regarding the candidate's qualifications: 1. The candidate holds a B.Sc. in mathematics with an approximate percentage of 42%. 2. He obtained an M.Sc. degree in IT, where his score is less than 60% . 3. His M.Tech. is from IIEST Shibpur, which is a distance learning program and not a regular M.Tech. degree. 4. At the time of application, the candidate was 38 years old, exceeding the age limit typically set for similar positions at IITs. Considering these aspects, I am interested in understanding the rationale behind considering this candidate eligible for an assistant professor position at a prestigious institution like IIT Jodhpur.	All the academic & other relevant information provided by the candidate are put before the Selection Committee to make its decision. Further, the data provided in the query seems to be inconsistent with the records available.

I am a first-year M.Tech student at IIIT Bhagalpur seeking clarification on the following matters:		
1	Could you please provide information on which IITs, NITs, and IIITs have implemented the new National Education Policy (NEP) 2020?	IIT Jodhpur has implemented the New Education Policy (NEW) 2020.
2	I am interested in understanding the entry and exit options available specifically for M.Tech degrees as per NEP 2020.	The Institute has created exit policies for B.S., B.Tech., M.Tech. and Ph.D. students. The B.S. students can exit with a B.Sc. degree in Physics and Chemistry following the norms as specified by the Senate. The M.Tech. and Ph.D. students can exit with Diploma and M.S. by Research degree, respectively following the norms as specified by the Senate. For example, students entered in B.Tech. in Mechanical Engineering can Exit with B.Sc. in Engineering Science, or B.Tech. in Engineering Science, or B.Tech. in Mechanical Engineering with a specialization, or B.Tech. in Mechanical Engineering and Engineering Science. Institute is currently offering multiple entries to the Ph.D. programmes. Other than the standalone Ph.D./M.Tech.-Ph.D. programmes, one can convert to the M.Tech.-Ph.D. programme even after completing 2-3 semesters in M.Tech. programme if he/she meets the CGPA requirement. As multiple exits, after completing 3 years in M.Tech.-Ph.D. programme, a student can also convert into a part-time/external Ph.D. student and avail an M.Tech degree if all conditions for part-time/external conversion are satisfied. The institute has also introduced the provision of registration kept alive (RKA) for M.Tech. students. A student admitted to an M.Tech programme who has completed the minimum credit requirement of the first semester, can keep his studentship alive while he is pursuing any professional activity, by opting for RKA in subsequent semesters. Bridge courses/certificate courses to facilitate multiple entry/exit: A modular programme with multiple exits in the form of certificates, diploma and degree has been introduced. Further, the Institute has recently introduced a transition path for diploma students in Data Engineering and Cloud Computing to pursue M.Tech. degree in Data Engineering.
3	Furthermore, I would like to inquire about the procedure for direct admission into the second year of the M.Tech program in Artificial Intelligence at IIT Patna.	The query does not pertain to IIT Jodhpur

1	In Centralized Counseling for M. Tech./M. Arch./M. Plan: CCMT-2024 ,NITs & other CFTIs admission, the eligibility requirement in qualifying degree is that the candidate should have passed and secured 6.5 CGPA on 10 point scale or 60 % for Gen/EWS/OBC and 6.0 CGPA on 10 point scale or 55 % for SC/ST candidates. But the qualifying degree (B.Tech) issuing premier Institute/ Institutes of National importance like IIT Jodhpur certifies that CGPA multiplied by a factor of 10 gives percentage , that is CGPA 6.0 equal to 60% and CGPA 5.5 equal to 55%. In CCMT 2024 brochure, it also states that only primary mode of evaluation (CGPA or Percentage) mentioned in the qualifying degree certificate/mark sheet will be considered while verifying eligibility. Conversion from CGPA to Percentage or vice versa given by individual institute /university will not be allowed. I Belong to Scheduled caste and my daughter graduated B.Tech from IIT Jodhpur with 5.8 CGPA. My daughter application is not considering for admission due to non meeting of 6.0 CGPA for SC candidate as per CCMT2024 eligibility condition. But as per norms of IIT Jodhpur CGPA conversion criteria my daughter percentage equal to 58 %, which is more than required 55% for sc candidate. Is the CGPA conversion criteria set up by Premier Institutes like IITs not acceptable? Also clarify that the quality of educational degrees /B.tech/CGPA obtained from IITs is same as that of degrees / B.tech /CGPA obtained from colleges run by private parties? I request ministry of higher education to issue direction to all the higher education institutes to accept the CGPA conversion criteria issued by Institutes of National importance like IIT Jodhpur, which are established as per law in the country for admitting in M.Tech courses. Here I am submitting Page No 8 of CCMT 2024 brochure (complete brochure available in CCMT 2024 web portal) and IIT Jodhpur CGPA conversion certificate for ready reference.	The query is not clear and specific and does not pertain to IIT Jodhpur. However, the document regarding formula to convert grade into percentage prevailing at the Institute is available in the public domain and the same can be accessed through the link below: https://iitj.ac.in/uploaded_docs/CGPA%20Conversion%20and%20Medium%20of%20Teaching%20Certificate_02042019.pdf

As a proactive measure to ensure transparency and accountability in the allocation and utilization of government research grants, which are fundamentally financed by the taxpayers of India, I am reaching out to gather some detailed information regarding the ongoing and completed projects at your esteemed institution. Given the critical role these grants play in fostering research and development, it is imperative to understand how these funds are being utilized and who benefits from them. Therefore, I kindly request your cooperation in providing the following information:		
1	Could you please provide a comprehensive summary of the total amount of funds that your institution has utilized over the last five years in relation to government research grants? This will help in assessing the financial management and allocation efficiency of your institution.	The question is not clear (Government research grant). We have received specific sponsored/consultancy projects from government and non-government agencies with specific budget heads including manpower approval
2	In the interest of promoting inclusivity and equal opportunity, I am also keen to learn about the number of Scheduled Caste (SC) and Scheduled Tribe (ST) students who have benefited from these grants in the last five years. Specifically, I would appreciate details regarding their involvement in positions such as Junior Research Fellow (JRF), Research Associate (RA), Post-Doctoral Fellow (PDF), Project Scientist, among others.	The question is not clear (Government research grant). We have received specific sponsored/consultancy projects from government and non-government agencies with specific budget heads including manpower approval. The benefits as applicable for SC/ST appointments are given to them in the appointment

<tr><td>1</td><td>Hello sir, my name is Abhishek Anand. I appeared for CAT 2023 and gave the interview for admission in the MBA program at SME, IIT Jodhpur. My CAT-2023 registration number is 23016983. I had a 93.08 percentile and I also had 10 months of work experience. I come under the EWS category, but still, I have not gotten the admission offer yet. Till now, the 3rd round result has come, and I am still waitlisted. I want to know my waiting list number on the admission offer so that I can decide my future steps accordingly. And I also want to know how many marks have been allotted to me for the interview round so that I can understand my current position. And also, kindly provide the details for the composite score calculation for the final round of admission. I can see the cutoff and composite score calculation method for the interview round on the website, but there are no details for the composite score calculation and cutoff for the final round of admission.</td><td>In 3rd round, you were waitlisted: 2nd rank in the EWS category. You have been offered in 4th round of admission.

PI marks: 7.28 out of 20.

1	This has reference to advertisement no. IITJ/2018-19/Non-Academic Staff/25, dated January 31, 2019 post sr. no. 03 Executive Engineer, Level 11 for the regular position. I had applied for the above said post and my application number was IITJ/2018-19/Non-Academic Staff/25/3162. In this connection, it is noticed that I was disqualified in over age at the initial stage, but IIT Jodhpur initially did not disqualify me in over age and provisionally short listed me, sent an e-mail for technical experience details and current month salary. I had submitted the required documents but after that I was disqualified in over age. In view of the above you are requested to submit justification/clarification for disqualifying me in over age after provisionally short listing i.e. calling technical experience details and current month salary.	The applicant has asked for clarification, whereas "information" does not include "clarification(s)" as defined under section 2(f) of RTI Act, 2005. Definition of information under section 2(f) of RTI Act, 2005: *"Information" means any material in any form, including records, documents, memos, e-mails, opinions, advice, press releases, circulars, orders, logbooks, contracts, reports, papers, samples, models, data materials held in any electronic form and information relating to any private body which can be accessed by a public authority under any other law for the time being in force.*

RTI Query Regarding M.Tech DCS (Without Fellowship) Admission Process, Seat Vacancies, and Allocation Transparency		
1	Seat Reallocation Policy: It was indicated by Mr. Ajay Pal that seats remain vacant if the initially allotted candidates reject their offers. Please clarify the institutional policy behind this decision, particularly in a government-funded institution where efficiency in resource utilization is crucial.	To facilitate meritorious students, the department decided to offer admission to five candidates in the Full Time Regular Without Fellowship category purely based on their GATE Score and their performance in the written test and interview conducted by the department.
2	Basis of Seat Allocation: On what basis were seats allocated for the M.Tech DCS program? Specifically, I request information on the criteria used to shortlist candidates and allocate seats, considering my GATE score of 588 and the performance in the additional exam.	The Final selection for Full Time Regular Without Fellowship category has been made on the basis of GATE Scores of the candidates and their performance in the written test and interview conducted by the department: 70% weightage was given to their gate scores and 30% to their performances in written test and interview conducted by the department.
3	Examination Scores Inquiry: Please provide the examination scores of myself and those candidates currently shortlisted for the M.Tech DCS program. This will help me understand where my application may have fallen short.	The Total score of the Candidate (Pusala Pavan Teja) was 53.16 out of 100 The scores of the other candidates cannot be communicated due to the confidentiality of the admission process.
4	Transparency in Communication: If there is a different allocation scheme or policy for seat distribution, why were candidates not informed about this during the physical visit required for the exam and interview process?	The admissions in the Full Time Regular Without Fellowship category were offered purely based on the GATE Score of the candidates and their performance in the written test and interview conducted by the department as mentioned in the reply of Query 2 above.
5	Application and Reference: My application ID for the M.Tech DCS program is 2024147012812. For transparency and accountability, I request detailed information on the criteria and procedure used by the Mathematics Department in handling seat vacancies and reallocations.	The department decided to offer admission to top five meritorious candidates (on the basis of GATE score and entrance examination) in the Full Time Regular Without Fellowship Category. This year there is no wait list under this category.

1	I have been offered admission to the regular full-time MBA program of 2024-26 in the SME, IIT Jodhpur. I have also paid the first term fee of Rs. 265050 on 14-05-2024.	Dining fee has also been refunded Rs. 23000/- dated on 23 July 2024 TO TRANSFER-NEFT UTR NO: SBIN124205645084- NIVEDHA VAANATHI K TRANSFER TO 3197945044305 / NIVEDHA VAANATHI K
2	Later on June 6, 2024 , I withdrew the offer of admission to the MBA program and applied for refund of the fee paid. The withdrawal was done well before program registration.	
3	On July 12, 2024, I received a refund of Rs. 68762.50 only after deducting Rs. 196287.50. I understand that the offer letter said that only 25% will be refunded and accordingly 75% is deducted and 25% is refunded.	
4	Meanwhile I came across the Fee Refund Policy 2024-25 as announced by UGC vide their letter No.: D.O. No.F.2-71/2022 (CPP-Il) (c-114546) dated 12 June 2024 (copy uploaded) which says that only Rs. 1000 to be deducted towards processing fee and the balance should be refunded.	IIT Jodhpur norms are applicable for the MBA admission 2024-26 as mentioned in the offer letter.
5	I request you to pls provide me information on whether this refund policy of UGC is applicable to IIT Jodhpur or not. If applicable, when will you refund me the balance amount pls	UGC rule is not applicable to IITs in terms of admissions and refunds. IITs are autonomous in terms of the course curriculum design, admission and admission related matters.

Reply to Query No 5:-

Currently, various ministries and government bodies provide financial support and schemes aimed at encouraging and supporting young entrepreneurs. Some of the prominent schemes include:

1. **Startup India Initiative**: Launched by the Government of India, this initiative offers various benefits such as tax exemptions, easier compliance, and access to a dedicated fund for startups through Startup India Seed Fund Scheme (SISFS). More information can be found on the Startup India website (https://www.startupindia.gov.in/)
2. **Atal Innovation Mission (AIM):** Under the aegis of NITI Aayog, AIM promotes a culture of innovation and entrepreneurship. It offers grants and funding opportunities for startups and innovative projects through their Atal Incubation Centers (AIC). Detailed information is available on the AIM website (https://aim.gov.in/)
3. **MUDRA Loans**: The MUDRA provides loans up to 10 lakh INR to non-corporate, non-farm small/micro enterprises. This is particularly beneficial for young entrepreneurs looking to start or expand their ventures. Further details can be found on the MUDRA website (https://www.mudra.org.in/).
4. **Support from Department of Science and Technology (DST):** DST offers various funding schemes under the National Initiative for Developing and Harnessing Innovations (NIDHI), such as NIDHI Prayas, NIDHI EiR and NIDHI Seed Support System which provides grants, fellowships and seed funding to startups. For more information, you may visit the DST website (https://dst.gov.in/).
5. **Schemes from the Ministry of MSME**: The MSME Ministry offers numerous schemes for financial assistance, including the Credit Guarantee Fund Trust for Micro and Small Enterprises (CGTMSE) and Prime Minister's Employment Generation Programme (PMEGP). Details can be accessed on the MSME website (https://msme.gov.in/).
6. **Schemes from MeitY**: The Ministry of Electronics and Information Technology (MeitY) has established the MeitY Startup Hub to facilitate the growth of technology startups. Under its TIDE 2.0 scheme, financial and technical support is provided to startups working in emerging technologies such as AI, IoT, cybersecurity, etc. More information about these initiatives can be found on the MeitY Startup Hub website.

In addition to these government initiatives, IIT Jodhpur offers support through its IITJ Technology Innovation and Startup Center (TISC) and iHub Drishti Foundation, which provides incubation, mentorship, and funding opportunities to its students, alumnus and entrepreneurs.

1. Total strength of seats= No. of faculty members x 4 students
2. The admitted students = present strength
3. Multiplying factor to maintain the reservation % uniform across department and category = Total vacancy strength per category/100
4. Categorywise student strength=Multiplying factor x % faculty
5. Vacant seats=Total strength-admitted strength
6. The JEE pattern has been taken for calculation of figures

Important Note:

1. Total strength of seats= No. of faculty members x 4 students
2. The admitted students = present strength
3. Multiplying factor to maintain the reservation % uniform across department and category = Total vacancy strength per category/100
4. Categorywise student strength=Multiplying factor x % faculty
5. Vacant seats=Total strength-admitted strength
6. The JEE pattern has been taken for calculation of figures

1	Could you please let me know if there is any rule which states or give power to the autonomous institute of national importances like IIT to suddenly increase the fee of the existing Ph.D. student retrospectively? According to the MHRD orders issued to IIT Kharagpur in 2016 it was clearly mentioned that the Institute are not allowed to increase the fee for existing students. Could you please also let me know whether the change in fee structure on the existing student is a violation of the right to prior information act or not? Could you please let me know whether the UGC Document on student entitlement is applicable to autonomous institute like IITs or not ? Could you please provide me the copy of any rule which is regarding the regulation of fee hike of Ph.D. students at IITs?. Additionally, can you provide a supporting document which empowers the institute to increase the fees when the stipend is increased.	IIT Jodhpur has not increased the fees for its existing Ph.D. students in the last two years. Furthermore, any fee changes that have occurred in the past were not made retrospectively. Therefore, the information sought does not relate to IIT Jodhpur.

1	Data on Student Suicides: 1.a. The number of student suicides reported in each IIT in India from 11th August 2014 to 11th August 2024. 1.b. Breakdown of these suicides by category: Bachelors, Masters, PhD students, and Postdoctoral researchers.	Zero
2	Data Collection: 2.a. Information on whether the Ministry of Education or any IITs maintain a database or record of student suicides. 2.b. Details about how this data is collected and compiled.	No such information is available with the Institute. The same may be sought from the Ministry of Education.
3	Reports and Publications: 3.a. Any official reports or publications related to student suicides in IITs that have been prepared by the Ministry of Education or any IITs. 3.b. Copies of these reports or publications if available.	
4	Preventive Measures: 4.a. Information on any preventive measures, counseling programs, or support systems implemented by the Ministry of Education or any IITs to address mental health issues and prevent suicides among students.	At IITJ, the administration recognizes that suicide is a serious mental health issue that can be prevented with appropriate interventions. To address this, several initiatives have been implemented to prevent and manage mental health conditions, including suicides: 1. Mental health awareness programs are regularly conducted to educate and empower students about factors contributing to mental health issues, fostering a culture of seeking help and treatment. 2. Training is provided to stakeholders such as wardens, faculty and student mentors across the campus to help them identify risk factors and implement preventive measures. 3. The availability of on-campus counselors is ensured for students needing support. 4. Tele Counseling services are offered around the clock to provide immediate assistance. 5. Parents are involved through awareness sessions conducted during orientation programs.

		6. Various life skills programs are periodically offered to help students lead balanced lives on campus. 7. Psychiatric consultation is available at the Institute's Primary Health Centre to provide treatment for mental health conditions. The above measures intend to provide a supportive framework for early identification and prevention of suicides.
5	Review and Analysis: 5.a. Any review or analysis conducted by the Ministry of Education regarding trends or causes related to student suicides in IITs.	No such information is available with the Institute. The same may be sought from the Ministry of Education.

1	The Government of India, Ministry of Finance, Department of Expenditure, through O.M. No. 19024/03/2021-E-IV dated 31.12.2021, has revised the procedure for booking air tickets. The order mentions that under unavoidable circumstances, booking tickets through unauthorized travel agencies may be permitted. Within IITs, who has the authority to determine what constitutes an unavoidable circumstance? What situations could be considered unavoidable circumstances for students?	The Institute has defined Delegation of Financial Powers including approval of Travel. However, unavoidable circumstances are determined by the Competent Authority based on the appropriate recommendation of the concerned Head of Units, on a case-to-case basis considering the merit.

Kindly provide the following details regarding the online UG (Undergraduate), PG (Postgraduate), and PhD courses offered by Indian Institutes of Technology (IITs), National Institutes of Technology (NITs), Indian Institutes of Information Technology (IIITs), and private universities under UGC guidelines:		
1	List of Online Courses Offered: Provide the list of online UG, PG, and PhD programs offered by IITs, NITs, IIITs, and private universities under UGC .	IIT Jodhpur offers various online programs for professional and executive education. These include: • Executive M.Tech. Programs in fields such as Intelligent VLSI Systems (IVS) and Data Science, Data Engineering, AR/VR, Robotics and Mobility Systems, AI • PG Diploma and Certification Programs in AI, ML, and Next-Generation OMICS Technologies.Details about these programmes can be obtained from IITJ's official website.
2	Course Fee Details: Provide the detailed fee structure for each of these courses, including tuition fees, examination fees, and any other applicable charges.	For IIT Jodhpur's online executive programs: • Executive M.Tech. Programs: The fee ranges between ₹3-4 lakhs, depending on the specialization. • PG Diploma & Certification Programs: Fees vary between ₹1-3 lakhs.
3	Course Validity: Kindly mention the validity period of each online course (whether there is a specific time period within which the course needs to be completed).	Each course has a specific time period for completion: • Executive M.Tech. Programs must be completed within 2-3 years. • PG Diploma & Certification Programs have a validity of 1 year.
4	Equivalence to Offline Degrees: Please confirm whether the degrees obtained through these online programs are considered equivalent to the degrees obtained through the traditional offline mode, as per UGC guidelines and any related governing regulations.	As per UGC guidelines, degrees obtained through online programs are considered equivalent to those earned through traditional offline modes, provided the courses are duly accredited by UGC or a recognized regulatory body.
5	Accreditation and Recognition: Are these online programs accredited by UGC or any other recognized regulatory bodies? Are these programs recognized by professional organizations and employment sectors (both government and private) for job opportunities?	• IIT Jodhpur's programs are recognized and aligned with the standards set by UGC and AICTE. • Online programs offered by IIT Jodhpur are recognized by industries and government sectors.
6	Eligibility Criteria for Enrolment:	• UG Programs: Typically, completion of 10+2 (or equivalent) is required.

	Provide the eligibility criteria for enrolment in these online courses for UG, PG, and PhD programs.	• PG Programs: A bachelor's degree in a relevant field is mandatory with relevant years of work experience.
7	Admission Process and Selection Criteria: What is the process of admission for online courses, and how are candidates selected for these programs?	• Admission to Executive M.Tech. Programs at IIT Jodhpur are based on academic qualifications, work experience, and performance in the selection process. • For PG Diploma and Certification Programs, selection is merit-based or based on relevant work experience.
8	Examination and Assessment Process: How are the students assessed and examined in these online programs? Are there any mandatory in-person examinations or practical assessments required for completing the online degree?	• Assessments for online programs typically involve assignments, quizzes, projects, and final exams. • Some programs may require in-person practicals or exams, which will be conducted at designated centers.
9	Support and Resources Provided: What kind of academic support, online resources, and interaction with faculty members are provided in these online courses?	• Students are provided with access to online learning platforms, including lecture videos, reading materials, and discussion forums. • Interaction with faculty is facilitated through webinars, virtual office hours, and live Q&A sessions. • Students also have access to digital libraries and other academic resources.
10	Placement Assistance: Does the institution provide any placement or internship support for students enrolled in online programs?	IIT Jodhpur does not provide placement support for its executive education students.

1	I kindly request information under the Right to Information Act, 2005, regarding the guidelines or norms for feeding and petting dogs within educational institutions such as IIT, IIM, or NITs, particularly inside or near the following areas: 1) Classrooms 2) Office areas 3) Laboratories and areas with heavy machinery or hazardous equipment 4) Residential areas such as student hostels, where large numbers of students reside, including some suffering from cynophobia or mental health conditions like depression 5) Indoor and outdoor playgrounds used for sports such as hockey and cricket, which may pose a risk to both students and animals 6) School premises 7) Faculty quarters While referring to Section 20 of the Animal Birth Control Rules, 2023, and the Animal Welfare Board of India guidelines for caregivers of street dogs, I find that the norms for dog feeding and petting in higher educational institutions, particularly in critical areas like hostels, classrooms, laboratories, and sports grounds, are unclear. In light of this, I respectfully seek the official guidelines or norms concerning dog feeding and petting in such environments, where the presence of dogs may pose risks to both humans and animals. I would appreciate your assistance in either providing this information or directing me to the relevant guidelines or policies governing these matters within educational institutions.	At present, no such Guidelines are available in IIT Jodhpur

S. No.	Query	**Reply of IIT Jodhpur**
1	I seek information under the RTI Act, 2005, regarding the authority of Indian Institutes of Technology (IITs) under Chapter 2, Clause 6, points (f) and (g) of The Institutes of Technology Act, 1961, which grants IITs the power to supervise residence, regulate discipline, and promote the health and general welfare of students. Specifically, do these provisions permit IITs to impose mandatory participation in sports or physical education activities as part of their curriculum, including setting minimum attendance requirements for such activities to qualify for course completion or degree eligibility? Does this authority extend to the imposition of cultural agency over students, such as making these sports activities compulsory or part of their curriculum, even if they do not carry academic credits? If so, are there any guidelines or circulars from the Ministry of Education that clarify how student autonomy should be balanced with such institutional mandates? Additionally, is there an established grievance redressal mechanism for students who believe that these requirements impose undue physical or mental strain or violate their personal autonomy? Ultimately, if an IIT mandates a certain percentage of attendance in these sports courses, does Indian law allow them to do so, and if the answer is yes, under what provisions is this explicitly mentioned, and does it or does it not supersede Article 21 of the Constitution?	IIT Jodhpur is an autonomous Institute (Institute of National Importance) governed by the provisions under the Institutes of Technology (amendment) Act, 2012. Hence, IIT Jodhpur has the authority to mandate participation in sports and other curricular and extracurricular activities, including setting attendance requirements. IIT Jodhpur incorporated sports courses as per the requirements of curriculum as part of a broader education philosophy. Further, the sports courses offered by the institute are non-graded courses.

1	Subject:Query regarding eligibility criteris for admission into 4 year Bsc Bed program. I hope this message finds you well. My name is Sontu Banerjee, and I am interested in applying for the BSc BEd program at IIT Jodhpur. I would like to inquire about the eligibility conditions for admission to this program. Specifically, I wish to understand: Eligibility regarding passing year for class XII i.e if students having gap years(year of passing Class XII and Taking admission into the course) are allowed admission into the course. I would greatly appreciate your guidance on the matter, along with any additional details.	To be eligible for the BSc-BEd (Secondary Stage) Programme at IIT Jodhpur, a candidate should have cleared the latest National Common Entrance Test (NCET) conducted in the year of admission to the programme, opting for the subjects of Physics, Chemistry and Mathematics. The candidate also should have a background of Physics, Chemistry and Mathematics in class XII. Since shortlisting criteria can be set by the respective Institutes, in the admissions cycle of 2024-2025, candidates who had given their class XII Board examination before 2024 were eligible to apply with a gap certificate/affidavit. However, going forward, this shortlisting criteria may be subject to change. Therefore prospective applicants for the academic year 2025-2026 are advised to refer to the website of the Integrated Teacher Education Programme (https://iitj.ac.in/itep/) for further details and updated information on the admission criteria.

3	The status of implementation of the National Education Policy NEP 2020 recommendations in higher education institutions particularly regarding the introduction of multidisciplinary courses	The Institute offers various interdisciplinary and multidisciplinary UG and PG programmes. Various interdisciplinary specializations have been started for UG Programmes. The Institute is presently offering a number of M.Tech. programmes in interdisciplinary areas. The division of the interdisciplinary research platform is currently offering Ph.D. programmes in six interdisciplinary areas. Dual degree options in interdisciplinary areas are available to students in MSc Programs. The division of interdisciplinary research platform is offering an MSc programme in digital humanities which is also uniquely placed as a platform for interdisciplinary studies. The institute is offering three multi-disciplinary programmes jointly with AIIMS Jodhpur in medical technologies. The centers of excellence under the school of AIDE, are also offering interdisciplinary Ph.D. and interdisciplinary specializations for UG students. The Integrated Teacher Education Programme (ITEP), as envisioned by the National Education Policy, 2020, offers a unique opportunity for the IIT ecosystem as a whole to directly contribute to shaping the next generation of leaders. IIT Jodhpur has started ITEP (BSc-BEd) for Secondary Stage with Major in Physics, Chemistry, and Mathematics from 2024.

S. No.	Query	**Reply of IIT Jodhpur**
I am simultaneously pursuing online MBA from the University of Mysore and online M. Tech in Applied Artificial Intelligence from VNIT, Nagpur. I have completed B. E in Mechanical engineering in 2005 and have more than fifteen years of overall work experience after my graduation. I have also completed a certificate course in Python programming from IIT Kanpur.		
1	Am I eligible to enrol myself for the online M. Tech in Data Engineering from IIT Jodhpur?	A No Objection Certificate (NoC) must be provided from any other institute(s) where the student is currently enrolled.
2	Will my M. Tech degree from IIT Jodhpur be valid since I am already simultaneously pursuing two other online courses from different universities/ institutes as mentioned above?	Yes, the M.tech Degree will be valid.
3	What is the last date for applying for the next batch of admissions to the online M. Tech in Data Engineering from IIT Jodhpur?	Direct enrollment in M.tech D.E does not happen as this is a stackable programme the student has to initially enroll for PGD-DE and if the student fulfills the graduating requirements and based on the discretion of the Programme directors the student may transition to the M.tech D.E.
4	As I am presently working in BRBNMPL (wholly-owned subsidiary of RBI), do I need to submit an NOC before joining the online M. Tech in Data Engineering from IIT Jodhpur??	NOC from the participant's current organization is mandatory requirement for the document verification process

1	Lack of Response to Emails: Despite sending multiple emails to recruitment@iitj.ac.in and the Director, highlighting discrepancies in the answer key, I have not received any response or acknowledgment.	Refer to the S.No. 24 of the General Instructions of the Advertisement no. IITJ/O(E-II)/2024-25/Non-Academic Staff/57 dated 8th April, 2024, "Candidates are advised to visit the Institute website for information related to syllabus, shortlisting, exam schedule & other updates."
2	Incorrect Answer in Question 43 (Set B):I would like to bring to your attention a discrepancy in Question 43 of Set B. According to the final answer key and the supporting documents, the correct answer should be D instead of B. Despite sending several emails to the concerned authorities, I have not received any acknowledgment or clarification regarding this issue.	
3	Inadequate Communication for Challenging the Answer Key: It appears that there was no proper notification or announcement on the official website regarding the process to challenge the answer key. Instead, an email containing a Google Form was sent to candidates. Unfortunately, many candidates were not aware of this process, as the email was filtered into their spam folders.(body containing fee as Rs.1000)	
4	Lack of Guidance and Website Updates for Challenging Process:notification was clousre of objections was released whereas no motivation was their for challenging.

1	I hope this message finds you well. I am conducting a study to analyze the inclusion of Persons with Disabilities (PwDs) in premier institutions, as per the Right of Persons with Disabilities (RPwD) Act, 2016, and to assess their representation across various categories. To assist in this analysis, I would appreciate it if you could provide the following data from 2015 to the present: List of all students placed in the PwD categories (General PwD, General-EWS PwD, OBC-NCL PwD, SC PwD, ST PwD) through the Joint Seat Allocation process. For each student, please include: 1. The name of the student. 2. The name of the IIT where the student was allotted a seat. 3. The category under which the student was placed (e.g., General PwD, OBC-NCL PwD, etc.). 4. The program/course the student was admitted to.	Disclosure of sought information is exempted under Section 8(1)(j) of RTI Act, 2005

Query 4	What was the date of booking of tickets from jodhpur and return of Yuva Sangam (phase-4) candidates?
Reply	Date of booking of tickets from jodhpur and return of Yuva Sangam (phase-4) candidates:- From date:- 12 March 2024 Return date:- 19 March 2024
Query 5	What was the exact ground on which basis each candidate was shortlisted for Yuva Sangam (phase-4) at IIT-Jodhpur?
Reply	The candidates for Yuva Sangam (Phase-4) at IIT-Jodhpur were shortlisted based on a detailed and multi-faceted evaluation process, as outlined below: **Eligibility Criteria – Age and Application:** The program was open only to youth below the age of 30 years who had applied through the Yuva Sangam portal. Applications outside these criteria were not considered. **Verification of Documentation:** Candidates were required to provide truthful and verifiable documentation. Any discrepancies or falsification of information identified during the verification process resulted in immediate disqualification. **Gender Representation:** In adherence to Ministry directives, special priority was given to female candidates to ensure equitable gender representation. This step was aimed at fostering inclusivity and diversity in the program. **District-Wise Representation:** Efforts were made to maintain balanced representation from various districts. To avoid disproportionate selection from any single district, exceptions were made only for candidates demonstrating exceptional cultural skills or contributions, which were deemed vital for representing the state of Rajasthan on a national platform. **Adherence to Ministry Guidelines:** The selection process was carried out in strict accordance with the guidelines established by the Ministry under the Ek Bharat Shreshtha Bharat initiative. Judicious discretion was exercised by the designated authorities to uphold the program's objectives and maintain fairness throughout the selection process. **Engagement in Team Convocations:** Candidates were expected to actively and consistently participate in team convocations. Lack of regular engagement indicated insufficient commitment, which was a critical factor in determining eligibility for the program. **Competency Assessment:**

	The screening process involved rigorous evaluation of the candidates' competencies. Those who did not demonstrate the requisite skills, knowledge, or abilities essential for effective participation were excluded from the final selection. **Prior Participation in Similar Initiatives:** Preference was given to candidates who had not participated in similar initiatives in the past. This ensured broader outreach and opportunities for new participants, aligning with the program's goal of inclusivity. **Alignment of Declared and Actual Capabilities:** Candidates were assessed to ensure that their declared capabilities and skills were reflected in their actual performance during the selection process. Any noticeable gap between their claims and demonstrated abilities adversely impacted their selection prospects. **Regularity in Screening Rounds:** Consistency in attending all screening rounds was non-negotiable. Regular participation was critical for an accurate assessment of the candidates' suitability and commitment to the program. **Voluntary Withdrawal:** Candidates who voluntarily chose not to join the program at the last moment, citing academic or personal reasons, were considered ineligible for final selection, as their withdrawal affected program logistics and planning. This meticulous and comprehensive approach ensured that the selection process was both transparent and aligned with the core objectives of Yuva Sangam.
Query 6	Who all officers, students or candidates were involved for coordinating and implementation and making Phase-4 success, with their roles and responsibilities?
Reply	The successful coordination and implementation of Yuva Sangam (Phase-4) at IIT-Jodhpur involved contributions from various officers, faculty members, and students, each of whom played a pivotal role. Their roles and responsibilities are outlined below: **EBSB, Nodal Officer:** The Nodal Officer oversaw the overall planning, execution, and coordination of the program under the Ek Bharat Shreshtha Bharat (EBSB) initiative. The Nodal Officer ensured compliance with the Ministry's guidelines and facilitated smooth collaboration among all stakeholders. **Faculty Advisor, Representative, Yuva Sangam IV:** Representative, Yuva Sangam IV played a multifaceted role in the program. As the Associate Dean of Student Affairs, Representative, oversaw student-related activities and ensured alignment with institutional goals. Additionally, the Representative was responsible for managing the financial aspects of the program, ensuring budgetary compliance and resource allocation for successful execution. The representative also provided academic and cultural guidance to participants and contributed to the strategic execution of the program. **Faculty Advisor, Representative, Yuva Sangam IV:** Representative, Yuva Sangam IV accompanied the students throughout the trip, providing constant support and guidance. Representative played an active role in every aspect of the program, including logistics, coordination of activities, and ensuring the well-being and engagement of the participants. Representative presence was vital in fostering a cohesive and productive environment for the students. **Appointed Staff of Office of Student Affairs:** The appointed staff managed administrative tasks, coordinated logistics, and facilitated communication among participants and organizers. **Appointed Staff of Office of Student Affairs:** The appointed staff supported operational aspects of the program, including resource allocation and maintaining documentation for efficient program execution. **Student President, EBSB Group:** Student President acted as a bridge between the participants and the organizing team. Student President motivated participants, addressed their concerns, and contributed to the seamless execution of activities.

1	Dear Authority, I request to please attach previous three year entrance exam question papers (pdf) of M.Sc. Computational Social Science (CSS) course. Also, please provide previous year question papaer for course MSc Digital Humanities. Kindly ignore in case only interview is conducted for MSc DH but please provide the previous year question papers (2022, 2023, 2024) for the MSc CSS course.	Digital Humanities-IDRP has never conducted an entrance exam to shortlist and select students for the MSc Digital Humanities program. The Department invite interested candidates to submit a statement of purpose and mark them based on the SoP and the interview. Since the entrance exam for M.Sc. CSS is an aptitude test, the school policy is not to publish the previous year's entrance question papers. Instead, the school conducts online sessions until the closing date of application, during which the School explain the exam pattern and the admission procedure.

I am writing to seek clarification under the Right to Information (RTI) Act, 2005 regarding the eligibility criteria for the recruitment of Assistant Professor in Psychology at Central Universities and IITs. My specific queries are as follows:		
1	Is a PhD in Psychiatry considered a relevant, allied, or concerned discipline for Psychology to meet the eligibility criteria for Assistant Professor positions in Psychology at Central Universities and IITs?	The essential & minimum requirement for the position of Assistant Professor at IIT Jodhpur has been provided in the Rolling Advertisement which is available in the Institute Website, i.e., www.iitj.ac.in https://iitj.ac.in/faculty/index.php?id=faculty_positions
2	Is a PhD in Psychiatry (i.e., PhD after M.Sc Psychology without RCI lisence) awarded by AIIMS Bhopal considered equivalent to UGC recognised PhDs for the purpose of eligibility for such positions?	
3	If there are specific guidelines or notifications defining equivalence or relevance for PhDs in such cases, kindly provide the official document or reference.

I Aditya Akash hereby request the following information under Section 6(1) of the Right to Information Act 2005 regarding the University Grants Commission UGC Public Notice dated March 27 2024 (No F4-1(UGC-NET Review Committee)/2024(NET)/140648):		
1	Can you confirm if the National Eligibility Test NET score as per the UGC Public Notice dated March 27 2024 qualifies candidates for PhD programs at Indian Institutes of Technology IITs including IIT Jodhpur Humanities and Social Sciences Department	As per the advertisement (https://iitj.ac.in/academics/misc.php?id=advertisements)
2	Please provide a comprehensive list of all higher educational institutions including IITs central universities and other institutes of national importance that have adopted the use of NET scores for PhD starting from the academic session 2024-25	Not Applicable
3	Are there specific guidelines or additional criteria that institutions must adhere to when considering candidates for PhD programs based on their NET scores for Categories 1 2 and 3 as mentioned in the public notice If so please provide copies or references to the relevant documents or directives	As per the advertisement (https://iitj.ac.in/academics/misc.php?id=advertisements)
4	What mechanisms are in place to ensure uniform implementation of the UGC directive regarding NET Score qualified for PhD admission only under Category 3 as a valid criterion for PhD admissions across universities and institutes of national importance	We don't shortlist based on NET score. Usually, shortlisting is done based on the graduation CGPA/percentage. If students have secured over 60%, we will call them for an interview. The NET score is considered only after candidates pass all the rounds of the admission process. If the candidate secures a valid NET JRF score, he/she will get a fellowship. Otherwise, they get admission without fellowship.
5	If the requested information is not available with your office I kindly request that my application be transferred to the appropriate Public Information Officer as per Section 6(3) of the RTI Act within the stipulated five-day period	Not Applicable

In 2024 amendment in rules of THE PATENTS ACT, 1970 form 31 introduce for grace period under section 31 and rule 29A, I would like to obtain the following information from your public authority under the RTI Act:		
1	How many FORM 31 has the institute filed from its introduction in 2024 up to January 1, 2025? Kindly provide a section wise breakdown of the statistics for 31a, 31b, 31c, and 31d. (Please refer form 31 from the Indian Patent Act, 1970 for section 31)	As of now, no Form 31 has been filed by the Institute.
2	What measures are institutes taking for meeting compliance of form 31?	In accordance with the Institute'sIPR policy, all research intended for patent protection is notified to the Institute's Intellectual Property Management Group (IIPMG) and protected through the filing of a patent application prior to any public disclosure.
3	What are the standard operating procedure or due process of institutes for filing Form 31?	There is no SOP for filing Form 31 at IIT Jodhpur. The filing of Form 31 is addressed on a case-by-case basis, as per the requirements of each instance.
4	Does the institute have any internal guidelines or a policy document for this? If yes, kindly share a copy	The Institute does not have internal guidelines or a specific policy in place for filing Form 31.
5	Does the institute collaborate with external legal advisors or consultants for drafting and filing Form 31?	IIT Jodhpur has empanelled IP law firms to provide legal consultation and support as needed.
6	How has the institute created awareness among inventors about Form 31 since its introduction? Specifically, has the institute conducted any workshops or training sessions on its usage? If yes, kindly provide the details of such initiatives.	The empanelled IP law firms of IIT Jodhpur communicate with inventors regarding the requirements and provisions related to Form 31 prior to initiating the patent filing process. Additionally, the provisions of Form 31 are discussed during one-on-one consultations offered by the Institute's IP Cell. However, no specific workshops or training sessions have been conducted to raise awareness regarding Form 31.
7	Does the institute believe that Form 31 requires any improvements? If yes, kindly specify the areas where improvements are needed and provide the reasons for the same. If no, please explain why the current form is considered adequate.	Under the RTI Act 2005 of India, only information that exists in material form and is held or accessible by the public authority can be provided. Opinions, advice, or views are not considered "information" under Section 2(f) of the Act unless they are already part of an official document or record. Hence, we are unable to provide an opinion in response to this query.

1	Regarding Admission Consideration in Applied AI and Data Science BSc Program Indian Institute Of Technology Jodhpur Dear Sir, My name is Himesh Halloli, and I have completed my diploma from VJTI, Mumbai. I am writing to you regarding the BSc degree program in Applied AI and Data Science offered by IIT Jodhpur in collaboration with Futurense. I registered for this program in November, and the Futurense team informed me that my name is on the selected candidates list. They confirmed that I would receive my offer letter from IIT Jodhpur. Based on this confirmation, I made the decision to cancel my ongoing degree program at Mumbai University. However, I have recently been informed that the Director and Associate Professor Dr.Dip Sankar Banerjee, along with Professor Somitra Sanadhya, are not allowing diploma students to enroll in this BSc program. I kindly request clarification on why diploma students are not being permitted to join now. Due to this decision, Now my two years of study have been lost. If I wish to join the course now, I would have to restart my degree journey from the direct second-year admission process. I kindly request your consideration to allow Diploma Students to join the program. For the past month, I have been trying to reach out to the Futurense team regarding this matter but have not received any responses by mail. I sincerely hope you will not ignore this email and would appreciate your guidance on how to proceed. Your prompt response would be greatly appreciated as I am eager to move forward.	Candidates who hold certifications in specific, relevant courses aligned with the program will be eligible to apply, Candidates from SC/ST, PWD, or other reserved categories in India will be eligible for admission with a minimum of 55% in their 12th-grade examinations.

Under the provisions of the RTI Act, 2005, I request detailed information regarding M.Tech specializations for the academic year 2024-2025 where the qualifying GATE paper is Mechanical Engineering (ME), Engineering Sciences (XE), or both. Specifically, I seek the following information:		
1	Specialization and Program Details: a) List of M.Tech specializations where the qualifying GATE paper is either ME, XE, or both. b) Total intake for these specializations (category-wise). c) If fixed seats are allocated for different disciplines under the same M.Tech specialization, provide the seat distribution discipline-wise. For example, if an M.Tech specialization allows eligibility for ME, AE, and XE disciplines, provide the seat reservation for each discipline within that specialization. d) Number of candidates shortlisted and finally selected (category-wise and qualifying paper-wise) for these specializations.	The available information is at Annexure - A
2	Minimum GATE Cut-off Score Details for the Specializations in which the Qualifying Paper is ME, XE, or Both (2024-2025): a) GATE score cut-offs, category-wise, for shortlisting in each COAP Round for these specializations. b) GATE score cut-offs, category-wise, for final selection in each COAP Round for these specializations. c) GATE score cut-offs, category-wise, for final selection in the Spot Round for these specializations. d) Confirmation of whether the GATE score cut-offs differ based on the qualifying paper (ME or XE) for these specializations.	
3	Placement Details (2024-2025): a) Number of final-year M.Tech students placed (specialization-wise). b) Average, highest, and lowest placement packages (specialization-wise). c) List of companies that visited for the placement of M.Tech students (specialization-wise).	For FY 2024-2025, Placements are still under process

I am writing to seek information under the Right to Information (RTI) Act, 2005, regarding the recruitment guidelines for Junior Research Fellows (JRFs) as per the Office Memorandum (OM) No. DST/PCPM/Z-06/2022, dated 26/06/2024. Kindly provide clarification on the following points:		
1	Recruitment without National Eligibility Tests Please provide the number of JRFs/SRFs recruited in the past two years in different IITs and IISc for research projects who were not selected through National Eligibility Tests like CSIR-UGC-NET (including lectureship) and GATE scores.	The information sought is voluminous and compilation of huge information will affect the normal functioning of the Offices/Departments. As per 7(9) of the RTI Act "an information shall ordinarily be provided in the form in which it is sought unless it would disproportionately divert the resources of the public authority or would be detrimental to the safety or preservation of the record in question." Therefore, you are requested to visit the Institute in office hours (09:00 to 17:30) Hrs on working day with prior intimation to CPIO, IITJ.
2	Recognition of Exams by IITs/IISc Can the PhD or Masters entrance exams or interviews conducted by individual IITs/IISc be considered as national-level examinations conducted by IITs/IISc under criterion (b) mentioned in the OM? How many JRFs were recruited in the past two years in different IITs and IISc based on such exams or interviews?	Yes, IIT Jodhpur is conducting the entrance examination and/or interview under criterion (b) mentioned in the OM. The number of Ph.D. students (Regular category) admitted in IIT Jodhpur through institute level examination and/or interview for the last two years are below: AY 2023-24: 167 AY 2024-25: 173
3	List of Recognized National-Level Examinations Please provide a detailed list of examinations that are officially considered as National-Level/All-India Level Examinations. What are the criteria for considering an examination conducted by Central Government Departments and their Agencies and Institutions (e.g., DST, DBT, DAE, DOS, DRDO, MoE, ICAR, ICMR, IIT, IISc, IISER, NISER, etc.) as National-Level/All-India Level Examinations?	IIT Jodhpur is a Centrally Funded Institution under the Ministry of Education, Government of India. The examination is open to candidates from all states and Union Territories of India, with a standardized selection process. These exams are formally announced and advertised nationwide.
4	Eligibility of BE/BTech Students Can BE/BTech students in IITs/NITs selected through IIT-JEE be eligible for JRF positions as per the OM?	The detailed eligibility criteria are available in the advertisements and the same can be accessed through the link below:

	How many JRFs were recruited in the past two years in different IITs and IISc under this criterion?	https://iitj.ac.in/academics/misc.php?id=advertisements The number of Ph.D. students admitted at IIT Jodhpur with bachelor's degree from IITs/NITs as a last qualifying degree are below: AY 2023-24: 2 AY 2024-25: 5
