# DIRECTOR'S MESSAGE

**PROF. AVINASH KUMAR AGARWAL**

It gives me immense pleasure to welcome you to the School of Management and Entrepreneurship (SME), IIT Jodhpur. At SME, we have tirelessly envisioned sculpting future leaders who are not only proficient in their respective domains in management and industry-ready technological skills but are also empathetic individuals who understand the significance of their social responsibility. This has been possible due to our uniquely designed curriculum with a compulsory social sector attachment.

The credit for the same can be given to our Distinguished Faculty who are industry experts and have rigorously crafted a curriculum that bridges the gap between theoretical knowledge and practical experience.

The students at SME are groomed to apply the strategic application of theoretical concepts to complex and real-life business situations. Our students are selected carefully through the Common Admission Test (CAT) followed by a personal interview. They come from different parts of the country with diverse educational backgrounds and graduated from institutions like IIT, NIT, DU, NIFT, and other esteemed institutions.

Besides, SME is poised to contribute to the practice outreach of IIT Jodhpur by being an innovation hub. SME will contribute to the community through cutting-edge training and development programs, enabling seasoned professionals across sectors to hone their managerial skills and business acumen. I wish SME and all its stakeholders a purposeful and joyful journey ahead and facilitate all its endeavors. I invite you to be part of this exciting journey and participate in the success of SME at IIT Jodhpur.

## MESSAGE FROM HEAD SME

**DR. DEEPAK KUMAR SAXENA**  
**ASSOCIATE PROFESSOR**

As the head of the School of Management and Entrepreneurship (SME) at IIT Jodhpur, I extend a warm welcome and best wishes to all the potential and current recruiters. I encourage you to establish a bond with SME and its pool of brilliant students. Our carefully curated academic programs has courses, labs, live projects and industry interaction in cutting-edge areas of management and technology. With dynamic collaborations with industry experts, we always put all our efforts into preparing our students as future-ready managers and business leaders. I wish to assure the recruiting team that you will find unmatched value in our students.

Before joining IIT Jodhpur, I served on the faculty of Organization Management at IIT Delhi, and my academic journey has been shaped by four enriching years at IIT Madras, where I completed my MSc and PhD in Management Science.

At SME, I teach across our MBA, Executive MBA, and Undergraduate programs. My research spans diverse disciplines—Artificial Intelligence, Behavioral Science, Economics, Evolutionary Biology, Neuroscience, and Organization Science—reflecting my belief that meaningful insights often emerge at the boundaries between fields.

A significant part of my work involves collaborating with young, inquisitive minds on ideas that can create real impact—from understanding labor markets to designing solutions for India's vibrant local bazaars.

## MESSAGE FROM CHAIRPERSON

**DR. VENKAT KUMAR REDDY**  
**ASSISTANT PROFESSOR**

## VISION

- To establish SME, IIT Jodhpur as India's leading destination for technology driven management education, where AI and emerging technologies are not just studied but lived. We aim to forge a new generation of leaders and entrepreneurs who think with algorithms, lead with empathy, and build with purpose shaping the future of business, innovation, and society.

## MISSION

- To be the management school of choice for graduates, researchers, and industry partners seeking techno-managerial expertise and to rank among India's top 50 institutions in NIRF by 2027 through excellence in management education, Artificial Intelligence, and emerging technologies.
- To create a vibrant management school based on the three pillars of teaching, research, and industry collaboration and be a leader for studies on a futuristic coalition of technology and management.
- To promote and support entrepreneurship as a practical vocation through innovation, applied research, and technology driven venture creation. To nurture socially responsible future leaders guided by the values of ethics, inclusivity, sustainability, and foresight.

## CORE VALUES

- Uphold highest levels of human integrity and dignity and not take unfair advantage of any stakeholder of the Institute.
- Work towards building the most admired technology Institute furthering interests of Students, Industries and Society as well as commit to economic development of India.
- Be ethical, sincere and open in all transactions and be continually responsible for upholding confidentiality.

## जोधपुर

“

Known as the “Blue City” and the “Gateway to Thar,” Jodhpur is a blend of modernity and tradition. Students can explore historic forts, vibrant markets, and cultural festivals while enjoying a safe and welcoming local community, rich in culture.

With growing industrial hubs, start-ups, and government-backed projects in Rajasthan, Jodhpur is slowly becoming a hotspot for Placements, live projects, and industry exposure.

”

## HOW TO REACH IIT JODHPUR

IIT Jodhpur is located on NH-62, Karwar, about 24 km from the city center, and is easily accessible by air, rail, and road. The Jodhpur Airport (28 km) has daily flights from Delhi, Mumbai, Ahmedabad, Jaipur, and more. Jodhpur Junction Railway Station (25 km) connects the city to major metros like Delhi, Mumbai, Kolkata, and Chennai. Road links connect Jodhpur to Jaipur (330 km), Udaipur (250 km), Ahmedabad (450 km), and Delhi (600 km). Local travel is convenient with taxis, buses, and auto-rickshaws, taking about 40 minutes from the city center to the campus.
