S.No.	Query	Reply of IIT Jodhpur
1.	Since CAT is a common entrance test for IIMs and IITs, why has a common admission process (including a centralized interview mechanism) not been implemented across ALL institutes? If such a proposal was previously considered, please provide relevant meeting minutes, discussions, or reasons for rejection.	IIT Jodhpur is an autonomous institute, and the policies related to MBA admissions are determined internally by the institute.
2.	What steps, if any, have been taken by the Ministry or relevant authorities to ensure that interview dates of different IIMs and IITs do not clash?	While planning the interviews, IIT Jodhpur ensures that its interview dates do not conflict with those of other IITs.
3.	Do IIMs/IITs have a policy to provide an alternative interview date if a candidate is unable to attend due to a scheduling conflict? If not, what are the reasons for not having such a provision?	IIT Jodhpur facilitates alternative interview dates after verifying the genuineness of the candidate's request.
4.	Has the Ministry of Education, IIMs, or IITs ever conducted discussions, meetings, or feasibility studies on implementing a centralized interview process for MBA/PG management admissions? If so, provide relevant meeting minutes, reports, or recommendations	The information sought pertains to the internal matters of the institute and is not subject to disclosure.
5.	Is there any official policy or guideline from the Ministry of Education regarding the scheduling of interviews for IIMs and IITs to minimize conflicts? If so, please provide a copy.	Please see the reply of point number 1.
6.	If an applicant submits a formal request citing a scheduling conflict between two IIM/IIT interviews, is there an official process to reschedule? If yes, provide details. If no, provide reasons.	Please see the reply of point number 3.
7.	Have IIMs and IITs received any formal complaints from candidates in the past five years regarding: a) Interview date clashes between different IIMs/IITs, leading to lost opportunities. b) Financial burden due to the need to travel to multiple cities for interviews. c) Requests for a centralized interview process to reduce logistical and financial strain on candidates	So far, the interviews for MBA admissions at SME IIT Jodhpur have been conducted online. Any genuine requests for a change in interview dates were duly considered.
8.	If such complaints exist, please provide: a) The total number of complaints received each year (for the last five years). b) A summary of the key concerns raised in these complaints.	No complaints have been received. However, any requests for a change in interview date are duly considered after verifying the genuineness of the request.

9.	What specific actions have IIMs/IITs taken in response to these complaints? If no action has been taken, please provide the reasons.	Please see the reply of point number 8.
10.	How many interview venues are available for IIM and IIT MBA/PG management admissions across India? Please provide a list of locations used in the last five years.	So far, the interviews for MBA admissions at SME IIT Jodhpur have been conducted online.
11.	Has the Ministry of Education or any IIM/IIT conducted an assessment of the financial burden (travel, accommodation, etc.) on students attending multiple interviews in different cities? If yes, provide copies of such reports. If no, why has this issue not been studied?	Please see the reply of point number 10.
12.	Is there any policy to reimburse or financially support candidates from economically weaker sections (EWS) or reserved categories (SC/ST/NC OBC) for travel expenses incurred in attending multiple interviews? If not, provide the reasons.	Please see the reply of point number 10.
13.	Provide data on the number of interviews conducted online vs. offline by IIMs and IITs in the last five years. If online interviews were conducted during the pandemic, why has this option not been permanent?	So far, all the interviews for MBA admissions at SME IIT Jodhpur have been conducted online

Implementation status of NEP 2020 in IITs		
1.	Has the NEP 2020 has been implemented in the IITs? If yes, please provide a comprehensive list of the IITs where its various provisions has been implemented.	As on date, IIT Jodhpur has actively implemented various aspects of the National Education Policy (NEP) 2020. The institute has introduced interdisciplinary programs and flexible curricula to promote holistic and multidisciplinary education. Additionally, IIT Jodhpur has established research centers focusing on emerging areas, aligning with the NEP's emphasis on fostering innovation and research.
2.	Please provide a detailed report on the specific NEP 2020 guidelines that have been adopted by each listed IITs	<p>The Institute has revised its curriculum, introduced new programs, and established strong internal systems to support diverse student cohorts. Innovative pedagogical and assessment schemes have been adopted. The Student Activity Council and Academic and Co-curricular Activity Council support topic-centered clubs and activities, incorporating them into the curriculum. The Institute has created a strategic Institutional Development Plan and a Student Innovation and Entrepreneurship Policy to encourage students to keep pace with the competitive innovation system without diluting academic standards and pedagogical goals.</p> <p>The Institute offers a range of interdisciplinary and multidisciplinary UG and PG programmes, including interdisciplinary specializations for UG programmes, M.Tech. programs, Ph.D. programs, dual degree options in MSc programs, and interdisciplinary research platforms. It also collaborates with AIIMS Jodhpur on three multi-disciplinary programs in medical technologies</p> <p>The Institute has implemented exit policies for B.S., B.Tech., M.Tech., and Ph.D. students, allowing them to exit with a B.Sc. degree in Physics and Chemistry, a Diploma, or M.S. by Research degree. Multiple entries to Ph.D. programs are available, allowing students to convert to the M.Tech.-Ph.D. program after completing 2-3 semesters. Registration kept alive (RKA) is also available for M.Tech. students. A PG Diploma in Data</p>

		<p>Engineering and Cloud Computing has been introduced, and a transition path is being considered for diploma students to pursue an M.Tech. degree in Data Engineering.</p> <p>IIT Jodhpur has introduced a unique initiative to teach B.Tech. first year courses in English and Matribhasha (Hindi) to overcome language barriers. Students can also participate in regional language, arts, and culture activities. The institute has implemented Peer Group Assisted Learning (PAL) to help students from educationally and socially disadvantaged sections cope with academic pressures. The institute also initiated a new Minor in Performing and Creative Arts, combining art and technology to foster a holistic perspective. The institute has also created bilingual course material for UG 1st year students. The conversational instructional approach for B.Tech. courses focuses on English and Hindi, aiming to enhance students' comprehension and interaction with course material.</p>
<p>Provide detailed information on the implementation of flexible entry and exit options in undergraduate and postgraduate programs in IITs, as outlined in the NEP 2020 specifically, provide data on the following:</p>		
3.	Whether students who complete one year of an undergraduate program are awarded a certificate	<p>The Institute has created exit policies for B.S. and B.Tech. students. The B.S. students can exit with a B.Sc. degree in Physics and Chemistry following the norms as specified by the Senate.</p> <p>For example, students entered in B.Tech. in Mechanical Engineering can Exit with B.Sc. in Engineering Science, or B.Tech. in Engineering Science, or B.Tech. in Mechanical Engineering with a specialization, or B.Tech. in Mechanical Engineering and Engineering Science.</p>
4.	Whether students who complete two years of an undergraduate program are awarded a diploma.	
5.	Whether students who complete three years of an undergraduate program are awarded a degree.	
<p>Provide information on the implementation of the same policy at the postgraduate level (M.Tech.):</p>		
6.	Whether students who complete one years of an M.Tech. program are awarded a postgraduate diploma.	An M.Tech. student not meeting the graduating requirements may be allowed to exit the program with a diploma if he/she completed at least 24 credits of course work satisfactorily.
7.	Whether students who complete two years of an M.Tech. program are awarded a Full M.Tech. degree.	The M.Tech. degree will be conferred upon completion of the graduation criteria as specified in the academic regulations.

Central Public Information Officer/केंद्रीय लोक सूचना अधिकारी

An **Amendment Agreement** was signed to formally modify the original **Master Agreement for Blended Learning Programs** (dated April 6, 2023) and its associated **Program Delivery Schedule (PDS)** by transferring all rights, obligations, liabilities, and benefits from **Miles Education Private Limited** ("Miles") to **Futureense Technologies Private Limited** ("Futureense"), a majority-owned subsidiary of Miles. This amendment ensured that Futureense replaced Miles as the executing party under the Agreement, while all other terms and conditions of the original Agreement remained unchanged and binding. The amendment document legally validates this substitution with mutual consent from both **Indian Institute of Technology, Jodhpur (IITJ)** and Futureense.

The objective of the agreement is to collaborate on **Blended Learning Programs** combining face-to-face and online components. Key aspects include:

Joint curation and delivery of programs where; Miles provides its proprietary **Learning Management System (LMS)** for hosting content and it acts as IITJ's **exclusive recruitment partner** for marketing, promoting, and enrolling students (B2B/B2C). IITJ handles content ownership, admissions, and fee collection. Miles manages marketing, student onboarding, industry partnerships, and LMS support.

1.	<p>This is regarding our concern on the technical specification published for Volumetric PIV system (GEM/2025/B/6065055) dated 1st April 2025. I had personally tried to contact Dr Nipun (Intender), Registrar, and Madam Malati on 9th April 2025. But I could meet Madam Malati (S&P of IIT Jodhpur). I had conveyed my grievances to her regarding the GEM tender, which was unfair and inclined to one company specification, and would not allow others to participate in the tender. Also, I had written a detailed email to her, Registrar, Intender, Stores & Purchase on 14th April 2025. Kindly see the attached copy for your reference. Till now, there has been no response from the Intender, Registrar, Mdm. Malati, IIT Jodhpur, regarding the email on 14th & 23rd April 2025. Note: Tender due date was closed on 22nd April 2025. Since there was no response from the institute, I think there is something wrong going around this tendering process. I request Director of IIT Jodhpur intervene in this matter and resolve the tender specification (favoring one company).</p> <p>Also, it is a high-order value tender, so why was no technical pre-bid meeting arranged by the tenderer? This makes us think that something is wrong going around the tendering process.</p> <p>Kindly reply to me.</p>	<p>The information sought is not clear.</p>

S.No	Query	Reply of IIT Jodhpur
1.	I seek information under the RTI Act 2005 regarding the planning and proposal for increasing seats in centrally funded technical institutions such as IITs, NITs, IIITs, and GFTIs for the academic year 2025-26. Is there any proposal, plan, or official communication initiated by the Ministry of Education or any of its departments for increasing the number of UG or PG seats in Indian Institutes of Technology (IITs), National Institutes of Technology (NITs), Indian Institutes of Information Technology (IIITs), or Government Funded Technical Institutions (GFTIs) for the admission year 2025?	1. Seat Increase in Existing Programs: IIT Jodhpur has not proposed or approved any increase in the number of seats in its existing UG or PG programs for the admission year 2025. 2. Introduction of New Academic Programs (2025-26): While there is no seat increase in existing programs, IIT Jodhpur has introduced the following new academic programs starting from the academic year 2025-26: I. B.Tech. in Electronics Engineering – 50 seats (UG) {Seat decreased in Electrical Engineering from 90 to 50, hence a total 10 seats increased effectively in B.Tech. programmes} II. M.Tech. in Drone and Anti-Drone Technologies – 11 seats (PG) III. M.Tech. in Bridge Engineering – 11 seats (PG) [The institute had received a letter (13-34/2024-TQ dated 5th Aug 2024) from the Under Secretary, Ministry of Education, regarding the need for a focused course on bridge engineering in the country IV. M.Des. in Smart Product Design – 13 seats (PG)
2.	If yes, kindly provide the following details: (a) Names of the institutions where seat increase is proposed or approved. (b) Number of additional seats proposed or approved in each institution. (c) Type of seats being increased - UG or PG. (d) Whether the seat increase is permanent or temporary. (e) Targeted academic year for implementation.	3. Type and Nature of Seats: I. The above-mentioned seat additions pertain to new UG and PG programs only. II. The seat increase is permanent as part of the introduction of new full-fledged academic programs.
3.	Is the seat increase related to any national policy or budget announcement such as: (a) National Education Policy (NEP) 2020 (b) Union Budget 2024-25 announced by Finance Minister Nirmala Sitharaman (c) Any other central government schemes for higher education expansion.	4. Discontinuation of Existing Programs: I. From Academic Year 2025-26, IIT Jodhpur has discontinued all M.Tech.-Ph.D. dual degree programs (total 16 programmes). II. This change offsets the seat additions to a significant extent, resulting in a minimal net impact on the total seat availability at the institute. 5. Policy Context: The new program introductions are aligned with national initiatives for academic innovation and skill development; however, no specific proposal for seat

		increase in existing programs has been directly attributed to the National Education Policy (NEP) 2020.
4	If the answer to any of the above is yes, please provide relevant documents, minutes of meetings, press releases, or notifications showing approval, funding, or implementation of the seat expansion plan.	Please refer to the Minutes of the Senate Meetings of IIT Jodhpur, which are available on Institute website
5	If no such proposal exists, kindly confirm if there are any future considerations or discussions in progress for increasing seats in the near future.	NA

1	I Surrender Kumar Yadav a former constable who faithfully served the Uttar Pradesh Police from 2011 to 2022 am submitting this RTI application u/s 6(1) 7(1) today with deep pain and anguish. This application is not a mere formal attempt to obtain information, but a pathetic cry of my soul which has been crushed by the system I swore to protect. It is the cry of one whose childrens innocent dreams were ruthlessly shattered the agony of one whose old mother was humiliated and the anger of a citizen whose identity was publicly shredded. In the year 2023 when I and my family were expecting security and dignity of our lives in Government House No. 207 at Reserve Police Line Noida, the lock of our Government House was broken in an inhuman and illegal manner by some police officers and our personal belongings were thrown on the road. It was not just the lock of a house that was broken but it was the lock of the honour of Mother India that was broken it was a direct attack on the dignity honour pride and shaan of a citizen. The ideas of Sardar Vallabhbhai Patel were insulted in which he had envisioned a strong and just nation where the dignity of every citizen is protected. Prior to this outrageous act I was mentally harassed and forced to resign under the pressure of a dubious FIR ...	This RTI request is not pertaining to IIT Jodhpur. From the subject matter, it is difficult to identify the appropriate public authority in this case. Hence, the applicant is advised to seek information from the appropriate public authority.

S.No	Query	Reply of IIT Jodhpur
1	<p>I request information under the RTI Act 2005 regarding the BSc or BS in Applied Artificial Intelligence and Data Science program offered by IIT Jodhpur</p> <p>This program is delivered fully online including online instruction and online examinations with optional campus immersion</p> <p>Please provide information on the following:</p> <p>A. Recognition and Equivalency Is the BSc or BS degree from IIT Jodhpur a valid graduate degree (Bachelors degree) recognized by the Government of India?</p>	<p>The program is offered by IIT Jodhpur, an Institute of National Importance established under the Institutes of Technology Act, 1961. The degree awarded under this program is therefore a valid and recognized under-graduate degree under the Government of India framework.</p>
2	<p>Does this degree have equivalency status with traditional Bachelor degrees offered in regular offline mode?</p>	<p>This BS/BSc program is academically equivalent to traditional on-campus Bachelor's degrees and follows a stackable certification-diploma-degree model aligned with the National Education Policy (NEP 2020). Graduates receive an official degree from IIT Jodhpur and attain IIT alumni status.</p>
3	<p>Is this program recognized or approved by UGC, AICTE, Ministry of Education or Distance Education Bureau?</p>	<p>As per the legislative mandate, IITs operate autonomously under the Ministry of Education, Government of India. Degrees awarded by IITs do not require separate recognition from UGC, AICTE, or DEB.</p>
4	<p>Is this program listed in the All India Survey on Higher Education (AISHE) portal?</p>	<p>Degrees conferred by IITs are typically reported under the All India Survey on Higher Education (AISHE) through institutional mechanisms.</p>
5	<p>Eligibility for Government Exams</p> <p>Are graduates of this fully online program eligible to appear in government exams such as:</p> <p>UPSC Civil Services Indian Engineering Services (IES) SSC Combined Graduate Level</p>	<p>As this program confers a recognized Bachelor's degree from an IIT, graduates are eligible to apply for government examinations such as:</p> <p>UPSC Civil Services and Indian Forest Service Indian Engineering Services (IES), For IES, which is engineering-specific, candidates may need a B.Tech/BE, so eligibility may vary by exam. SSC-CGL, CAPF, IBPS/Bank PO State PSCs (e.g., RPSC, MPSC, UPPSC) Indian Statistical Service (ISS), where applicable, so eligibility may vary by exam.</p>

	(CGL) IBPS / Bank PO Exams State Public Service Commission Exams (e.g. RPSC, MPSC, UPPSC) Central Armed Police Forces Assistant Commandant Exam Indian Forest Service (IFS) Indian Statistical Service (ISS) Other government exams requiring a recognized Bachelor degree?	Any other competitive exams that require a Bachelor's degree from a recognized university
6	Does the online mode of instruction or examination affect eligibility for these exams?	The mode of delivery does not affect the degree's recognition.
7	Has IIT Jodhpur received any official communication from UPSC, SSC or other government bodies regarding eligibility of this program?	The program is offered by IIT Jodhpur, an Institute of National Importance established under the Institutes of Technology Act, 1961. The degree awarded under this program is therefore a valid and recognized under-graduate degree under the Government of India framework.
8	Program Details and Delivery Confirm that course content and examinations are fully online.	The program is 100% online, with lectures, tutorials, and masterclasses conducted via digital platforms.
9	Describe the mode of evaluation (proctored online exams, assignments, projects).	Offline proctored final exams are held at centers designated by IIT Jodhpur. Evaluation includes quizzes, assignments, capstone projects, and regular assessments.
10	Does the degree certificate specify that the program is online or distance education?	The certificate is awarded by IIT Jodhpur. It does not explicitly mention the delivery mode (i.e., online/distance), as per standard IIT norms.
11	Employment and Higher Education Are graduates eligible for government jobs requiring a Bachelors degree?	Graduates are eligible to apply for jobs that require a recognized Bachelor's degree.
12	Can graduates pursue postgraduate or doctoral programs in India or abroad? Have any students from this program cleared government exams or gained admission to higher education?	Postgraduate and Doctoral Pathways: Graduates are eligible to apply for: M.Tech./PGD programs at IIT Jodhpur (subject to specific criteria) Other national/international Master's and PhD programs
13	Is this degree eligible for National Academic Depository (NAD) registration?	Degrees from IITs are typically recorded in the National Academic Depository (NAD) system.
14	Legal and Statutory Has IIT Jodhpur received approval under UGC Online Courses Regulations to offer this course online? Under what legal provision or government notification is this	The program is conducted under the statutory powers granted to IITs. As autonomous institutions under the Ministry of Education, IITs are not required to seek separate approval from UGC or AICTE for launching degree programs. UGC Online Course Regulation (2020): IITs are exempt from this requirement under their autonomous legislative status.

S.No	Query	Reply of IIT Jodhpur						
1	Provide a copy of the official order, notification, or communication that mandates the cancellation of previously conducted exams and orders re-examinations for affected students in the Executive AI/ML program.	The decision is based on the recommendation of the Disciplinary Committee during its 26th meeting held on 1 May 2025. A copy of the relevant excerpt from the minutes is enclosed herewith.						
2	Provide minutes of meetings, internal reports, or committee recommendations that formed the basis of the decision to cancel prior exams and conduct re-examinations.	The minutes of the 26th Disciplinary Committee meeting serve as the official record and contain the committee's findings and recommendations. A copy is attached.						
3	Provide the names, designations, and roles of all individuals or committee members involved in: - Investigating the alleged misconduct - Making the decision to cancel exams - Approving the re-examinations	Names and Designations of Committee Members Involved: The members of the Disciplinary Committee present in the 26th meeting included: Prof. Ankita Sharma, Dean of Student Affairs (Chairperson) Dr. Manish Narwaria, Associate Dean, Academic Affairs Dr. Abhishek Sarkar, Associate Dean, Student Affairs (Member Secretary) Dr. Arpit Khandelwal, Associate Dean, Hostel Affairs Dr. Anuj Pal Kapoor, Associate Dean, Executive Education Dr. Moumita Mandal, SC & ST Liaison Officer Dr. Suman Dhaka, OBC, PWD & Minority Liaison Officer Dr. Farhat Naz, Diversity Officer Shri Sujeet Kumar, OSD to Director General Secretary, Student Senate (student representative)						
4	Provide a copy of IIT Jodhpur's academic integrity guidelines or disciplinary policy, especially sections relevant to exam cancellation, mass misconduct allegations, and rights of students.	Students must act ethically in all academic activities. Cheating, plagiarism, and document forgery are strictly prohibited. Instructors can debar students using unfair means and report misconduct. <table border="1"><thead><tr><th>Violation Type</th><th>Handled By</th><th>Possible Actions</th></tr></thead><tbody><tr><td>Minor infractions</td><td>Course-Instructor</td><td>Warning, fine, exam debarment</td></tr></tbody></table>	Violation Type	Handled By	Possible Actions	Minor infractions	Course-Instructor	Warning, fine, exam debarment
Violation Type	Handled By	Possible Actions						
Minor infractions	Course-Instructor	Warning, fine, exam debarment						

		Serious academic misconduct	SDC → Senate	Probation, grade/degree withholding, expulsion
5	What specific evidence or proof has been recorded against me that led the institute to conclude I was involved in academic misconduct? If any, please provide: - Plagiarism reports (if applicable) - Exam answer pattern analysis reports (if used) - Any screenshots, video footage, logs, or metadata used to justify allegations - Statements or testimonies (if applicable) from invigilators or observers specifically naming me	Your name is listed among students involved in mass academic misconduct during the Major Examination, as reported by the course instructors. The nature of misconduct was reported as use of AI tools and unauthorized WhatsApp communication. A copy of the annexure listing your name is enclosed.		
6	Was I individually informed, consulted, or given an opportunity to be heard before this action was taken? If yes, provide: - Copy of any notice or intimation sent to me - Record of my response (verbal or written) - Transcript or summary of any communication between me and the institute regarding the allegations	As per the Disciplinary Committee records, the decision was taken following collective findings and recommendations after review of complaints and associated documentation. Due to the scale of the issue (impacting over 160 students), individual hearings were not conducted.		
7	If no such opportunity was given, provide the reason why no individual hearing or clarification was sought from me.	The Committee, after establishing prima facie evidence of collective misconduct decided on collective action in view of maintaining academic integrity and institutional credibility. This action was deemed necessary under urgent disciplinary circumstances.		
8	Provide the reasons and legal/academic justification for taking a mass-level disciplinary decision affecting 160+ students without any individual hearings or representation.	The decision to conduct re-examinations and assign penal grading (one grade lower) was recommended unanimously by the Disciplinary Committee and approved by the Director. The Committee's stance was based on precedent, academic code, and the principle of maintaining institutional standards. The urgency of the matter and the consistent evidence pattern warranted a collective approach under the Institute's Examination and Conduct Rules.		
9	Was the decision to cancel all exams and conduct re-exams taken in violation of natural justice principles (such as the right to be heard)? If not, explain how the decision satisfies those principles.			
10	Which authority or academic body (Dean, Director, Senate, or any special committee) authorized the decision to bypass representation and cancel results collectively?			
11	Provide a copy of the rule, regulation, or clause under IIT Jodhpur's academic code or examination policy that permits: - Collective punitive actions against students without hearing them - Mandating re-examinations without giving specific proof or notice			
12	Was any external academic or legal opinion sought before arriving at the decision? If yes, provide a copy of such opinion/report and the name/designation of the person/body who issued it.	No external legal consultation was recorded in this matter. The internal Disciplinary Committee exercised its authority as per established norms and institutional guidelines.		
13	Has the institute provided any formal process for appeal, review, or redressal to the affected students regarding this decision? If yes, provide: - Copy of the circular or notification outlining the appeal process - Contact details and structure of the appeals committee	Any aggrieved student may appeal to the Director of IIT Jodhpur through a formal written representation. Appeals must be substantiated with new evidence or clarifications. The Institute may constitute a Review Committee to address such appeals on a case-by-case basis.

1	<p>I request information under the RTI Act 2005 regarding the BSc or BS in Applied Artificial Intelligence and Data Science program offered by IIT Jodhpur.</p> <p>Transcript & Certificate Access</p> <p>How will students receive their academic transcripts, semester-wise mark sheets, and final grade reports after each term or at the end of the program? Will these documents be downloadable through the student portal or sent via email or post?</p> <p>Will the transcripts, final degree certificate, or any other academic records be uploaded automatically to the Digilocker or National Academic Depository system for digital verification?</p>	<p>Mode of Receiving Academic Records:</p> <p>Academic transcripts, mark sheets, and final grade reports will be issued by IIT Jodhpur. These are expected to be accessible either through the student portal or communicated directly via email. Final hard copies such as degree certificates are generally issued physically during convocation or upon formal request.</p> <p>Digi locker/NAD Integration:</p> <p>IIT Jodhpur is integrated with national academic repositories like Digilocker/NAD, and academic credentials will be uploaded there for digital verification and convenience.</p>
2	<p>Higher Education Eligibility</p> <p>Are the graduates of this online BS or BSc program eligible for admission to postgraduate or doctoral degree programs such as MS or PhD in international universities in countries like USA, Canada, UK, or Australia?</p> <p>Will the faculty or administration of IIT Jodhpur issue Letters of Recommendation (LOR) or reference letters to students of this online degree who wish to apply for further studies in India or abroad?</p> <p>Are students of this online program eligible to appear for national-level entrance exams like GATE or JAM,</p>	<p>International Admission Eligibility:</p> <p>Graduates of this BS/BSc online program are eligible to apply for postgraduate programs, including MS or PhD, in countries like the USA, UK, Canada, or Australia.</p> <p>Letters of Recommendation (LORs):</p> <p>Subject to academic performance and faculty discretion, students can request LORs from IIT Jodhpur for further studies.</p> <p>Eligibility for GATE/JAM:</p> <p>The BS/BSc is a recognized undergraduate degree. Students are eligible for GATE, JAM, and other national-level exams, provided they meet</p>

	and if yes, in which subject areas or categories can they register?	eligibility criteria set by exam authorities. Subject areas depend on the coursework completed (e.g., Data Science, AI, Computer Science).
3	<p>Delivery & Exams</p> <p>Are the academic lectures and sessions delivered in a live format, through recorded videos, or as a combination of both, and is there any minimum attendance requirement for completing the program?</p> <p>Will students of this online program have access to dedicated academic guidance or one-on-one mentoring by professors for clarifying doubts, working on projects, or receiving career advice?</p>	<p>Content Delivery Format:</p> <p>The program offers a blended learning model — a mix of self-paced recorded video lectures, live sessions, and assignments. There is a mention of at least one offline campus immersion per year which is not mandatory.</p> <p>Mentorship and Guidance:</p> <p>Students will receive academic support from both IIT faculty and industry mentors.</p>
4	<p>Certification & Verification</p> <p>Can students of this online program request and receive certified, attested, or notarized copies of their academic documents such as transcripts or degree certificates for use in foreign universities, embassy processes, or professional verification?</p> <p>Will IIT Jodhpur provide a certificate confirming the Medium of Instruction as English and the Mode of Study as Online if requested by a student for visa or university admission purposes?</p> <p>If a student is living abroad or unable to visit the campus, can an authorized third party such as a parent or guardian collect their original degree certificate on their behalf with proper written authorization?</p>	<p>Certified Copies for International Use: Upon formal request, through the right channel students may obtain copies of their academic documents.</p> <p>Medium and Mode of Instruction Certificate: English is the Medium of Instruction and Online as the Mode of Study</p> <p>Third-Party Document Collection:</p> <p>Yes, degree certificates can be collected by an authorized third party, such as a parent, provided an authorization letter, valid ID proofs, and a signed request are submitted to the concerned office.</p>
5	<p>NOC & Bonafide Certificate Issues</p> <p>What is the official process for a student to apply for and obtain a No Objection Certificate (NOC) or a bonafide certificate from IIT Jodhpur while enrolled in this online program?</p> <p>Are students who are enrolled in only one subject or one course or for a limited duration in this program eligible to receive a NOC, bonafide certificate, or enrollment verification letter?</p> <p>What are the conditions or reasons</p>	<p>Issuing Bonafide/NOC:</p> <p>Students can apply for a Bonafide Certificate by applying on their ERP portal. And, NOC by submitting a written/email request to the Executive Education Office along with the purpose of the request.</p> <p>Conditions for Denial:</p> <p>Bonafide certificates or NOCs may be denied if:</p> <p>The student has not completed enrollment/payment requirements.</p> <p>The student is under disciplinary action.</p> <p>The request lacks a valid purpose or documentation.</p> <p>Note: All policies are subject to revision based on institute discretion and guidelines issued from time to time by IIT Jodhpur or statutory bodies.</p>

under which a student of this program may be denied a bonafide certificate or NOC, and what supporting documents are required to successfully request such certificate.	If further clarification is needed, you may write to the Office of Executive Education, IIT Jodhpur at helpdesk_exed@iitj.ac.in.

1	Is IIT Jodhpur allotted 8X10 Rooms at sharing basis.	Hostel rooms are allotted on sharing basis to new batch (1st Year).
2	Rooms are too small which cause respiratory issue for all the occupants. Are you agree with it. If not, what are the guidelines you follow to provide healthy environment to student inside rooms. Decreasing level of oxygen, while sleeping may have life long harmful effects or cause death of student.	Institute provides healthy environments for all students. Each room has two windows for sufficient ventilation, and AC & Fan for air circulation.
3	When DOSA asked in meeting on 23.07.2024 to provide at least a reasonable breathing space to student, DOSA(Dean of Student Affairs IIT Jodhpur) told not to bargain like a customer. Is it not a threaten message, Please clear your opinion.	The question is not clear as there was no such meeting scheduled on 23.07.2024 related to this.
4	DOSA told the students to leave the IIT Jodhpur. Is she have right to discourage the students.

1.	Please provide a certified copy of the current reservation policy guidelines applicable to admissions in educational institutions run/funded by the Ministry of Education (Central Educational Institutions).	Indian Institute of Technology Jodhpur follows the reservation policy for admissions as prescribed by the Government of India / Ministry of Education from time to time. The applicable reservation provisions are incorporated in the Institute's admission rules and are notified through official admission advertisements available in the public domain on the Institute website. No separate or additional reservation policy document is maintained by IIT Jodhpur.
2.	Please provide the specific rules or guidelines regarding the applicability of government reservation policies (SC/ST/OBC/EWS) to unaided educational institutions that are religious in nature (Minority Educational Institutions) and run by charitable trusts/societies of religious nature.	The information sought does not pertain to the functions, activities, or records of the Indian Institute of Technology Jodhpur. IIT Jodhpur is a Central Government-funded Institution of National Importance and does not regulate, determine, or maintain records relating to reservation policies of private/minority institutions or standards for determination of minority status. Accordingly, no such information is available with this Institute as per Section 2(f) of the RTI Act, 2005.
3.	Please provide the current regulations or guidelines governing the reservation policy for private, self-financed, secular (non-minority) educational institutions.	
4.	Please provide information on record stating whether educational institutions established by religious trusts and funded by charity are legally mandated to follow the Central Government's reservation policy, or if they are exempt under Article 30 or Article 15(5) of the Constitution.	
5.	Please provide the relevant provision which clarifies whether self-financed educational institutions which are religious in nature are exempt from the implementation of reservation policies.	
6.	Please provide a copy of the official notification or standard criteria used by the Government of India to decide/classify any group of people as a 'Minority' community (Religious or Linguistic).	
7.	Please provide the specific parameters, guidelines, or list of documents required by Central Government-funded educational institutions to verify and decide a student's status as a 'Minority' for the purpose of admission or scholarships.	
8.	Please provide copies of any guidelines or advisories issued by the Central Government to State Governments regarding the standards/criteria the States must follow to decide 'Minority' status for educational institutions funded by the State.

1.	Whether the Ministry of Education has designed issued or approved any specific policy guideline framework or regulatory document governing Online Degree programmes offered by Indian Institutes of Technology IITs particularly with respect to maintaining academic rigor quality standards and fair evaluation mechanisms. Provide copies of such documents if available.	Academic programmes offered by IIT Jodhpur are governed by applicable national policies and regulatory frameworks including, inter alia: <ul style="list-style-type: none">National Education Policy (NEP) 2020Relevant regulations issued by the University Grants Commission (UGC) regarding Online and Distance Learning programmes (where applicable)Academic regulations and procedures approved by the Senate of IIT Jodhpur The design of academic curriculum, evaluation mechanisms, and quality assurance processes for programmes offered by the Institute are approved by the statutory academic bodies of IIT Jodhpur in accordance with the academic autonomy granted to IITs under the Institutes of Technology Act, 1961.
2.	Whether Online BS degrees offered by IITs are treated as equivalent to regular or offline BS or BTech degrees offered by IITs for the purpose of Central Government employment Public Sector Undertakings PSUs and higher education admissions MTech MS PhD in Centrally Funded Technical Institutions CFTIs. Provide copies of any notification clarification advisory or guideline regarding such parity or equivalence.	Matters relating to eligibility for employment or admissions are determined by the respective recruiting authorities, examination bodies, or admitting institutions in accordance with their applicable recruitment rules or admission policies.
3.	If eligibility for Government employment or higher education differs between Online BS and regular or offline BS degrees offered by IITs provide copies of the relevant rules regulations or official communications specifying such distinction. If no distinction exists confirm whether Online BS degree holders are to be treated at par with regular or offline BS degree holders in the same stream.	The Institute does not maintain any official communication specifying differential eligibility between the two categories of degrees for government employment or higher education. Eligibility conditions for employment and admissions are determined by the respective competent authorities.
4.	Regarding DO Letter No 13-50/2024-IC dated 20.09.2024 issued by the Secretary Department of Higher Education addressed to Directors of CFTIs concerning treatment of 4 year BS degrees as eligible for research programmes whether the Ministry or Department has conducted any review assessment or follow up action to examine the impact or implementation status of the said letter. Provide copies of related records.	We are in the process of working on this. Once we have a policy the students will be informed accordingly.
5.	Whether any distinction exists between Online and regular or offline BS degrees from IITs for the purpose of GATE exemption in PhD admissions in CFTIs. Provide copies of relevant rules or communications.	IIT Jodhpur does not maintain any specific rule, guideline, or communication issued by the Ministry of Education regarding distinction between Online BS degrees and regular BS degrees for the purpose of GATE exemption in PhD admissions. Admission criteria for PhD programmes, including provisions related to GATE qualification or exemption, are prescribed by the respective institutions in

		accordance with their Senate-approved regulations.
6.	In cases where a degree programme offered by an IIT has lectures delivered primarily in online mode but examinations carrying full course weightage are conducted offline at designated centres under physical invigilation how such programme is classified for regulatory and recognition purposes whether as Online Degree Programme Hybrid or Blended Mode Programme Regular or On campus Programme or any other defined category. Provide copies of any formal definition or classification framework issued by the Ministry of Education distinguishing Online Hybrid or Blended and Regular degree programmes for CFTIs including IITs.	The structure, pedagogy, and operational modalities of academic programmes are designed and implemented by the Institute through its academic governance mechanisms.
7.	If no specific classification or definition has been prescribed by the Ministry confirm whether classification of such programmes is determined independently by the respective IIT under institutional autonomy.	The academic design, delivery methodology, and operational modalities of programmes offered by IIT Jodhpur are determined by the Institute through its statutory academic bodies, including the Senate, under the institutional autonomy provided to IITs under the Institutes of Technology Act, 1961.

Kindly provide the following information regarding online BS degree programmes offered by Indian Institutes of Technology (IITs), where instruction is delivered substantially online.		
1.	Provide copies of any notifications, circulars, policy documents, or guidelines issued from 1 January 2020 onwards governing recognition or regulation of online degree programmes offered by IITs. If no separate framework exists, provide records indicating the applicable regulatory basis.	Kindly note that the Indian Institutes of Technology function under the Institutes of Technology Act, 1961 and relevant Statutes and Ordinances. Academic programmes offered by IITs are governed through approvals of the Senate and the competent statutory bodies of the respective Institutes, in accordance with institutional autonomy granted to IITs.
2.	Provide copies of any official records (including notifications, file notings, internal correspondence, or advisories) clarifying recognition or validity of online BS degrees offered by IITs for: (a) Higher education admissions (b) Central Government employment (c) Public Sector Undertakings (PSUs) If no such records exist, kindly confirm explicitly.	Matters relating to eligibility for higher education admissions or recruitment in government services/PSUs are generally determined by the respective admitting institutions or recruiting agencies, in accordance with their applicable rules and regulations.
3.	Provide copies of any documents or internal records discussing equivalence or non-equivalence between online BS degrees offered by IITs and regular/on-campus undergraduate degrees offered by IITs or other Centrally Funded Technical Institutions. If no determination exists, kindly confirm.	The Institute does not maintain any official communication specifying differential eligibility between the two categories of degrees for government employment or higher education. Eligibility conditions for employment and admissions are determined by the respective competent authorities.
4.	Provide copies of any policy documents or records defining classification of programmes as online, on-campus, or hybrid/blended, particularly where instruction is online but examinations are conducted offline. If no such framework exists, kindly confirm whether classification is determined by the respective IIT under institutional autonomy.	Academic programme structures, including the mode of delivery and assessment, are determined by the academic bodies of the Institute (including the Senate and its committees) in accordance with the statutory provisions governing IITs and the institutional academic policies.
5.	Provide copies of any communications from 1 January 2020 onwards between the Ministry of Education and UGC, AICTE, IITs, IIT Council, GATE organizing bodies, or central recruiting agencies regarding recognition or treatment of online degrees offered by IITs.	Academic programmes offered by IIT Jodhpur are governed by applicable national policies and regulatory frameworks including, inter alia: <ul style="list-style-type: none">National Education Policy (NEP) 2020Relevant regulations issued by the University Grants Commission (UGC) regarding Online and Distance Learning programmes (where applicable)Academic regulations and procedures approved by the Senate of IIT Jodhpur The design of academic curriculum, evaluation mechanisms, and quality assurance processes for programmes offered by the Institute are approved by the statutory academic bodies of IIT Jodhpur in accordance with the academic autonomy granted to IITs under the Institutes of Technology Act, 1961.

6.	Provide copies of any advisories or clarifications issued to government departments, educational institutions, or public bodies regarding acceptance or treatment of online IIT degrees.	The academic design, delivery methodology, and operational modalities of programmes offered by IIT Jodhpur are determined by the Institute through its statutory academic bodies, including the Senate, under the institutional autonomy provided to IITs under the Institutes of Technology Act, 1961.

Query
<p>The 10% Economically Weaker Section (EWS) reservation scheme in India was implemented by the Union Government (NDA government led by Prime Minister Narendra Modi) through the 103rd Constitutional Amendment Act, 2019. The scheme, which went into effect on January 14, 2019, provides reservations in central government jobs and educational institutions,, based on recommendations from the Sinho Commission.</p> <p>As per this reservation scheme, The important thing is A person or his family income should below 8 Lakhs. That means, A person whose gross salary including all allowance should not exceed 8 lakhs (Rs. 66666.666 per month).</p> <p>But Recent Dr. B R Ambedkar National Institute of Technology, Jalandhar Advertisement for Recruitment of Faculty Posts (Advt. No. 1/2026 to 45/2026), EWS recruitment was observed in the higher cadre levels as per 7th CPC (Assistant Professor Pay Level 12, Associate Professor Pay Level 13A2 and Professor Pay Level 14A).</p> <p>How they created EWS reserved scheme in such a higher cadre level posts? As per the recruitment rules and regulations of NITs, IITs, etc., the candidate who is fit for the above said post will not definitely comes under EWS. Because their income is highly highly impossible within the 8 Lakhs limit. This makes the efforts made for the economically weaker people useless.</p> <p>As of my knowledge, Only two things will happen in this case.</p> <p>First thing, The EWS post will elapse (No EWS candidates will available for such higher cadre posts as per NITs, IITs rules, Definitely candidate income more than the 8 lakhs limit) Then Why they Created EWS in that higher cadre level?</p> <p>Second thing, Fraudulent will happen.</p> <p>Kindly Clarify the clear picture of these kinds of advertisements in National Importance Institutions.</p>
