

Indian Institute of Technology Jodhpur
Office of Research & Development

No. IITJ/R&D/2021-22/04

Date: 02 September 2021

CIRCULAR

Subject: Measures to be taken to increase the number of Consultancy Projects

As approved by the *Research & Development Management Committee* in its 5th meeting held on 05 July 2021, All HoD/PI is advised to implement the following:

- a) Interaction with the agencies, who has previously offered the consultancy projects to IIT Jodhpur.
- b) Preparation of summarized guidelines for consultancy projects and the approach of Institute/PI to deal with the Industry for consultancy.
- c) Collaboration and interaction with government agencies, local companies, PSUs etc.
- d) Organizing the theme/Industry specific Industry day at the Departmental level
- e) The Department should bring out the newsletter by mentioning the key achievements, availability of facilities, area of research, etc. The Department will also communicate the newsletter to various agencies.
- f) Routine projects will be discouraged in consultancy.
- g) Department should highlight the key areas of research and availability of major facilities through video clips, updating in website, YouTube, social media platform and creating the capability map of department. The capability map of department should also be propagated in global platform.

This issues with the approval of the competent authority.
