Shortlisting Criteria

Eligibility as per Rolling PhD Advertisement of 2025:

Candidates must have secured a *first-class grade* in all qualifying examinations.

Applicants with an M.Tech degree are eligible.

Candidates without a Master's degree in Technology must have qualified NET-JRF/GATE or any equivalent national-level exam.

Applications will not be shortlisted if the applicant's Master's specialization does not align with the Centre's core focus areas, considering the large number of applications and time constraints.
