1	IIT/OIE/2026-27/05.	<p>Name of work: - Annual Repair and Maintenance of DG sets installed at various Substations at IIT Jodhpur.</p> <p>Sub Head: - Electrical Work</p>	Rs. 23,81,340.00	Rs. 47,627.00	Rs. 500/-	01 Year

Last date and time of submission of financial & Technical bid :- 15/05/2026 upto 3:00 pm (on line)

Date and time of opening of Online Technical bid :- 16/05/2026 at 3:00 pm

Price/Financial bids of eligible bidders as per NIT shall be opened at a later date after scrutiny of Technical bids.

- The successful bidders shall be required to submit a performance guarantee of 5% of the tendered amount in the form of Bank Guarantee or F.D.R. from a Nationalized/Scheduled Bank within 07 days of issue of letter of intent before award of work. In case the contractor is failed to deposit the performance guarantee within the specified period, full earnest money will be forfeited and the tender shall be treated as void. The performance guarantee shall be initially valid up to the stipulated date of completion plus 06 months beyond.
- Contractors/Bidders who fulfill the following requirements shall be eligible to apply. Joint ventures are not accepted.

Bidders (OEM/OEM authorized dealer/OEM authorized agency of Kirloskar/Cummins only) required to submit the authorization certificate from OEM valid up to last date of submission of tender.

OR

Bidders (Firms/contractors) must have completed similar works satisfactorily under Government organization/ Public Sector Undertaking / Autonomous bodies during the last 7 years ending previous day of last day of submission of bids with valid authorization certificate from Kirloskar or Cummins.

i) One similar single work amounting to Rs. 19,05,072.00

Or

ii) Two similar work and each single work amounting to Rs. 14,28,804.00

Or

iii) Three similar work and each single work amounting to Rs.9,52,536.00

<https://www.iitj.ac.in/Tenders>

Works completed during last 7 years ending on the last date of submission of Bid.

iv) **Earnest money of Rs. 47,627/-** in the form of Demand Draft or Fixed Deposit Receipts **or through RTGS / NEFT** of a schedule bank drawn in favour of **Director, I.I.T. Jodhpur** or **online payment as per details given in NIT**. No relaxation in EMD will be allowed for MSME and MSEs as per CPWD works manual.

3. The intending bidder must read the terms and conditions of IITJ/CPWD-6 carefully. He should only submit his bid if he considers himself eligible and he is in possession of all the documents required.
4. No exemption for submission of EMD/experience of work shall be allowed for MSME.
5. Information and Instructions for bidders posted on website shall form part of bid document.
6. The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents can be seen and downloaded from website <http://eprocure.gov.in/eprocure/app> in free of cost.
7. **Completion certificates issued by an officer not below the rank of Executive Engineer or equivalent level shall be considered.**
 - **Similar work means "Servicing/AMC of DG sets".**
8. The value of executed work shall be brought to current costing level by enhancing the actual value of work at simple rate of 7% per annum calculated from the date of completion to last date of submission of financial bid.
9. IIT Jodhpur is committed to follow the principle of transparency, equity and competitiveness in public procurement. Before submission of bid each bid should sign integrity pact at respective places and submit the bid, if duly signed integrity pact is not submitted by bidder such bid shall not be considered.
10. Those contractors not registered on CPP Portal are required to get registered beforehand. If needed they can be imparted training on online bidding process as per details available on the website
11. The intending bidder must have valid class-III digital signature to submit the bid.
12. On opening date, the contractor can login and see the bid opening process. After opening the bids he will receive the competitor bid sheets.
13. Contractor can upload documents in the form of JPG format and PDF format.
14. Contractor must ensure to quote rate of each item, while selecting any of the cells a warning appears that if any cell is left blank the same shall be treated as "0". Therefore, if any cell is left blank and no rate is quoted by the bidder, rate of such item shall be treated as "0" (ZERO).
15. The department reserves the right to reject any prospective application without assigning any reason and to restrict the list of qualified contractors to any number deemed suitable by it, if too many bids are received satisfying the laid down criterion.
16. In e-Tendering intending bidder can quote his rates in figures only. The rates in words, amount of each item and total is generated automatically. Therefore, the rate quoted by the bidder in figures is to be taken as correct.
17. The bid can only be submitted after uploading the mandatory scanned documents such as Demand Draft or Fixed Deposit Receipts **or through RTGS / NEFT** towards Tender Fee and EMD (if applicable) in favour of **Director, I.I.T. Jodhpur** or to be deposited with <http://eprocure.gov.in/eprocure/app/> NEFT facility.
For online payment through RTGS/NEFT IIT Jodhpur Bank details are as below:

Name of Bank A/C	:	Director, IIT Jodhpur

Instructions for Online Bid Submission:

As per the directives of Department of Expenditure, this tender document has been published on the Central Public Procurement Portal ([URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)). The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at:

<http://eprocure.gov.in/eprocure/app>

REGISTRATION

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal ([URL:http://eprocure.gov.in/eprocure/app](http://eprocure.gov.in/eprocure/app)) by clicking on the link "Click here to Enroll". Enrolment on the CPP Portal is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / TCS / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSCs to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their userID / password and the password of the DSC / eToken.

SEARCHING FOR TENDER DOCUMENTS

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, organization name, location, date, value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as organization name, form of contract, location, date, other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective 'My Tenders' folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

PREPARATION OF BIDS

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid

<https://www.iitj.ac.in/Tenders>

documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.

- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF formats. Bid documents may be scanned with 100 dpi with black and white option.
- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use "My Space" area available to them to upload such documents. These documents may be directly submitted from the "My Space" area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

SUBMISSION OF BIDS

- 1) Bidder should log into the site well in advance for bid submission so that he/she upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as "on-line" to pay the tender fee / EMD as applicable and enter details of the instrument. Whenever, EMD / Tender fees are sought, bidders need to pay the tender fee and EMD separately on-line through RTGS or scan copy of original demand draft (Refer to Schedule, Page No.2).
- 4) A standard BoQ format has been provided with the tender document to be filled by all the bidders. Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.

OR

In some cases, Financial Bids can be submitted in PDF format as well (in lieu of BOQ).

- 5) The server time (which is displayed on the bidders' dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 6) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done.
- 7) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) Upon the successful and timely submission of bids, the portal will give a successful bid submission message & a bid summary will be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.
- 9) Kindly add scanned PDF of all relevant documents in a single PDF file of compliance sheet.

ASSISTANCE TO BIDDERS

1. Any queries relating to the tender document and the terms and conditions contained therein should be addressed to the Tender Inviting Authority for a tender or the relevant contact person indicated in the tender.
2. Any queries relating to the process of online bid submission or queries relating to CPP Portal in general may be directed to the 24x7 CPP Portal Helpdesk. The contact number for the helpdesk is 1800 233 7315.

General Instructions to the Bidders

- 1) The tenders will be received online through portal <http://eprocure.gov.in/eprocure/app> . In the Technical Bids, the bidders are required to upload all the documents in .pdf format.
- 2) Possession of a Valid Class II/III Digital Signature Certificate (DSC) in the form of smart card/e-token in the company's name is a prerequisite for registration and participating in the bid submission activities through <https://eprocure.gov.in/eprocure/app> . Digital Signature Certificates can be obtained from the authorized certifying agencies, details of which are available in the web site <https://eprocure.gov.in/eprocure/app> under the link "Information about DSC".
- 3) Tenderer are advised to follow the instructions provided in the 'Instructions to the Tenderer for the e-submission of the bids online through the Central Public Procurement Portal for e Procurement at <https://eprocure.gov.in/eprocure/app>.

1.2 Details of criteria for eligibility as Indicated in "INFORMATION AND INSTRUCTIONS FOR CONTRACTORS FOR e-TENDERING FORMING PART OF NIT AND TO BE POSTED ON WEBSITE"

1.3 To become eligible for issue of tender, the tenderer shall have to furnish an affidavit.

(i) Affidavit shall be purchased / notarized on or after NIT published date but on or before last date of submission of NIT.

(ii) Affidavit must have "NIT/tender reference number" and "Name of work" and shall be used once for each fresh tender.

No back dated affidavit shall be entertained and non-compliance of point (i) & (ii) shall lead to rejection of the tender.

Affidavit should be as mentioned under: -

"I/We undertake and confirm that eligible similar works(s) has/have not been got executed through another contractor on back to back basis. Further that, if such a violation comes to the notice of Department, then I/we shall be debarred for tendering in IIT Jodhpur in future forever. Also, if such a violation comes to the notice of Department before date of start of work, the Engineer-in-Charge shall be free to forfeit the entire amount of Earnest Money Deposit/Performance Guarantee." (Scanned copy to be uploaded at the time of submission of bid)

2. Agreement shall be drawn with the successful bidders on prescribed Form No. IITJ/CPWD form No. 7 (or other standard form as mentioned), which is available as a Govt. of India Publication. Bidders shall quote his rates as per various terms and conditions of the said form which will form part of the agreement.

3. The time allowed for carrying out the work will be **as per tender notice** from the date of start as defined in schedule 'F' or from the first date of handing over of the site, whichever is later, in accordance with the phasing, if any, indicated in the tender documents.

4. The site for the work is available.

5. The bid document consisting of plans, specifications, the schedule of quantities of various types of items to be executed and the set of terms and conditions of the contract to be complied with and other necessary documents except Standard General Conditions of Contract Form can be seen from the web Site <http://eprocure.gov.in/eprocure/app> or iitj.ac.in or e-procure.gov free of cost.

6. After submission of the bid the contractor can re-submit revised bid any number of times but before last time and date of submission of tender as notified.

7. While submitting the revised bid, contractor can revise the rate of one or more item(s) any number of times (he need not re-enter rate of all the items) but before last time and date of submission of tender as notified.

8. If it is desired to submit revised financial bid, then it shall be mandatory to submit revised financial bid. If not submitted, then the tender submitted earlier shall become invalid.

9. Earnest Money in the form of Demand Draft or Fixed Deposit Receipts (drawn in favour of Director IIT Jodhpur) **or through RTGS / NEFT** from any Scheduled/ Nationalized Bank and shall be scanned & uploaded to the e-tendering website within the period of tender submission and original should be deposited by lowest bidder within a week after the opening of financial bid in office of **Superintending Engineer, IIT Jodhpur**.
10. The time & date of submission & opening of financial bid of contractors qualifying the **criteria as per Tender Notice** shall be communicated to them at a later date.
11. The successful bidders shall be required to submit a performance guarantee of 5% of the tendered amount in the form of Bank Guarantee or F.D.R. from a Nationalized/Scheduled Bank within 07 days of issue of letter of intent before award of work. In case the contractor is failed to deposit the performance guarantee within the specified period, full earnest money will be forfeited and the tender shall be treated as void. The performance guarantee shall be initially valid up to the stipulated date of completion plus 06 months beyond.
12. The earnest money deposited along with bid shall be returned after receiving the aforesaid performance guarantee. In case the contractor fails to deposit the said performance guarantee within the period as indicated in Schedule 'F' including the extended period if any, the Earnest Money deposited by the contractor shall be forfeited automatically without any notice to the contractor.
13. Intending Bidders are advised to inspect and examine the site and its surroundings and satisfy themselves before submitting their tenders as to the nature of the ground and sub-soil (so far as is practicable), the form and nature of the site, the means of access to the site, the accommodation they may require and in general shall themselves obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their tender. Bidder shall be deemed to have full knowledge of the site whether he inspects it or not and no extra charge consequent to any misunderstanding or otherwise shall be allowed. The tenderer shall be responsible for arranging and maintaining at his own cost all materials, tools & plants, water, electricity, access, facilities for workers and all other services required for executing the work unless otherwise specifically provided for in the contract documents. Submission of a tender by a tenderer implies that he has read this notice and all other contract documents and has made himself aware of the scope and specifications of the work to be done and of conditions and rates at which stores, tools and plant, etc. will be issued to him by the Government, local conditions and other factors having a bearing on the execution of the work.
14. The competent authority does not bind itself to accept the lowest or any other tender and reserves to itself the authority to reject any or all the tenders received without the assignment of any reason. All tenders in which any of the prescribed condition is not fulfilled or any condition including that of conditional rebate is put forth by the tenderer shall be summarily rejected.
15. Canvassing whether directly or indirectly, in connection with tenderers is strictly prohibited and the tenders submitted by the contractors who resort to canvassing will be liable to rejection.
16. The competent authority reserves the right to accept the whole or any part of the tender and the tenderer shall be bound to perform the same at the rate quoted.
17. The bidder shall not be permitted to tender for works in the IIT Jodhpur responsible for award and execution of contracts, in which his near relative is posted as a Divisional Accountant or as an officer in any capacity between the grades of Dean of Infrastructure Planning and Junior Engineer (both inclusive). The contract shall be withdrawn if any bidder is found violating this condition.
18. No Engineer of Gazetted rank or other Gazetted Officer employed in Engineering or Administrative duties in an Engineering Department of the Government of India is allowed to work as a contractor for a period of one year after his retirement from Government service, without the previous permission of the Government of India in writing. This contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such a person who had not obtained the permission of the Government of India as aforesaid before submission of the tender or engagement in the contractor's service.

19. The tender for the works shall remain open for acceptance for a period of ninety (90) days from the date of opening of tender. If any tenderer withdraws his tender before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the tender which are not acceptable to the department, then the institute shall, without prejudice to any other right or remedy, be at liberty to forfeit 50% of the said earnest money as aforesaid. Further the tenderer shall not be allowed to participate in the retendering process of the work.
20. This notice inviting tender shall form a part of the contract document. The successful tenderer / contractor, on acceptance of his tender by the Accepting Authority shall within 15 days from the stipulated date of start of the work, sign the contract consisting of:
 - a. The Notice Inviting Tender, all the documents including additional conditions, specifications and drawings, if any, forming part of the tender as uploaded at the time of invitation of tender and the rates quoted online at the time of submission of bid and acceptance thereof together with any correspondence leading thereto.
 - b. Standard IITJ/CPWD Form - 7/8 or other Standard IITJ Form as mentioned.

.....

.....

Subject: - Annual Repair and Maintenance of DG sets installed at various Substations at IIT Jodhpur.

Sub Head: - Electrical Work.

Dear Sir,

It is hereby declared that I.I.T. Jodhpur is committed to follow the principle of transparency, equity and competitiveness in public procurement.

The subject Notice Inviting Tender (NIT) is an invitation to offer made on the condition that the Bidder will sign the integrity Agreement, which is an integral part of tender/bid documents, failing which the tenderer / bidder will stand disqualified from the tendering process and the bid of the bidder would be summarily rejected.

This declaration shall form part and parcel of the Integrity Agreement and signing of the same shall be deemed as acceptance and signing of the Integrity Agreement on behalf of the I.I.T. Jodhpur.

Yours faithfully

**Superintending Engineer
Office of Infrastructure Engineering**

Acceptance to execute integrity pact**I.I.T.J**

(To be signed by bidder and upload the scanned copy)

To,
Superintending Engineer,
IIT Jodhpur, NH 62 Nagour Road Karwar
Jodhpur Rajasthan.

Subject: Submission of Bid for the of "Annual Repair and Maintenance of DG sets installed at various Substations at IIT Jodhpur."

Sub Head: Electrical Work

Dear Sir,

I/We acknowledge that I.I.T. Jodhpur is committed to follow the principles thereof as enumerated in the Integrity Agreement enclosed with the tender/bid document.

I/We agree that the Notice Inviting Tender (NIT) is an invitation to offer made on the condition that I/We will sign the enclosed integrity Agreement, which is an integral part of tender / bid documents, failing which I/We will stand disqualified from the tendering process. I/We acknowledge that THE MAKING OF THE BID SHALL BE REGARDED AS AN UNCONDITIONAL AND ABSOLUTE ACCEPTANCE of this condition of the NIT.

I/We confirm acceptance and compliance with the Integrity Agreement in letter and spirit and further agree that execution of the said Integrity Agreement shall be separate and distinct from the main contract, which will come into existence when tender/bid is finally accepted by I.I.T.Jodhpur. I/We acknowledge and accept the duration of the Integrity Agreement, which shall be in the line with Article 1 of the enclosed Integrity Agreement.

I/We acknowledge that in the event of my/our failure to sign and accept the Integrity Agreement, while submitting the tender/bid, I.I.T. Jodhpur shall have unqualified, absolute and unfettered right to disqualify the tender / bidder and reject the tender/bid is accordance with terms and conditions of the tender/bid.

Yours faithfully

(Duly authorized signatory of the Bidder)

INTEGRITY PACT e-TENDERING	I.I.T.J
-----------------------------------	----------------

To be signed by the bidder and same signatory competent / authorized to sign the relevant contract on behalf of IIT Jodhpur.

INTEGRITY AGREEMENT

This Integrity Agreement is made aton this.....day of..... 2.....

BETWEEN

The Director, IIT Jodhpur represented through Superintending Engineer, IIT Jodhpur

....., (Hereinafter referred as the
(Address of Division))

'Principal/Owner', which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

AND

.....
(Name and Address of the Individual / firm/ Company)

through..... (Hereinafter referred to as the
(Details of duly authorized signatory))

"Bidder/Contractor" and which expression shall unless repugnant to the meaning or context hereof include its successors and permitted assigns)

Preamble

WHEREAS the Principal / Owner has floated the Tender (NIT No.) (Hereinafter referred to as "Tender/Bid") and intends to award, under laid down organizational procedure, contract for.....

.....
(Name of work)

hereinafter referred to as the "Contract".

AND WHEREAS the Principal/Owner values full compliance with all relevant laws of the land, rules, regulations, economic use of resources and of fairness/transparency in its relation with its Bidder(s) and Contractor(s).

AND WHEREAS to meet the purpose aforesaid both the parties have agreed to enter into this Integrity Agreement (hereinafter referred to as "Integrity Pact" or "Pact"), the terms and conditions of which shall also be read as integral part and parcel of the Tender/Bid documents and Contract between the parties.

NOW, THEREFORE, in consideration of mutual covenants contained in this Pact, the parties hereby agree as follows and this Pact witnesses as under:

Article 1: Commitment of the Principal/Owner

- 1) The Principal/Owner commits itself to take all measures necessary to prevent corruption and to observe the following principles:
 - (a) No employee of the Principal/Owner, personally or through any of his/her family members, will in connection with the Tender, or the execution of the Contract, demand, take a promise for or accept, for self or third person, any material or immaterial benefit which the person is not legally entitled to.
 - (b) The Principal/Owner will, during the Tender process, treat all Bidder(s) with equity and reason. The Principal/Owner will, in particular, before and during the Tender process, provide to all Bidder(s) the same information and will not provide to any Bidder(s) confidential / additional information through which the Bidder(s) could obtain an advantage in relation to the Tender process or the Contract execution.
 - (c) The Principal/Owner shall endeavor to exclude from the Tender process any person, whose conduct in the past has been of biased nature.
- 2) If the Principal/Owner obtains information on the conduct of any of its employees which is a criminal offence under the Indian Penal code (IPC)/Prevention of Corruption Act, 1988 (PC Act) or is in violation of the principles herein mentioned or if there be a substantive suspicion in this regard, the Principal/Owner will inform the Chief Vigilance Officer and in addition can also initiate disciplinary actions as per its internal laid down policies and procedures.

Article 2: Commitment of the Bidder(s)/Contractor(s)

- 1) It is required that each Bidder/Contractor (including their respective officers, employees and agents) adhere to the highest ethical standards, and report to the Government / Department all suspected acts of **fraud or corruption or Coercion or Collusion** of which it has knowledge or becomes aware, during the tendering process and throughout the negotiation or award of a contract.
- 2) The Bidder(s)/Contractor(s) commits himself to take all measures necessary to prevent corruption. He commits himself to observe the following principles during his participation in the Tender process and during the Contract execution:
 - a) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm, offer, promise or give to any of the Principal/Owner's employees involved in the Tender process or execution of the Contract or to any third person any material or other benefit which he/she is not legally entitled to, in order to obtain in exchange any advantage of any kind whatsoever during the Tender process or during the execution of the Contract.
 - b) The Bidder(s)/Contractor(s) will not enter with other Bidder(s) into any undisclosed agreement or understanding, whether formal or informal. This applies in particular to prices, specifications, certifications, subsidiary contracts, submission or non-submission of bids or any other actions to restrict competitiveness or to cartelize in the bidding process.
 - c) The Bidder(s)/Contractor(s) will not commit any offence under the relevant IPC/PC Act. Further the Bidder(s)/Contractor(s) will not use improperly, (for the purpose of competition or personal gain), or pass on to others, any information or documents provided by the Principal/Owner as part of the business relationship, regarding plans, technical proposals and business details, including information contained or transmitted electronically.
 - d) The Bidder(s)/Contractor(s) of foreign origin shall disclose the names and addresses of agents/representatives in India, if any. Similarly Bidder(s)/Contractor(s) of Indian Nationality shall disclose names and addresses of foreign agents/representatives, if any. Either the Indian agent on behalf of the foreign principal or the foreign principal directly could bid in a tender but not both. Further, in cases where an agent participate in a tender on behalf of one manufacturer, he shall not be allowed to quote on behalf of another

manufacturer along with the first manufacturer in a subsequent/parallel tender for the same item.

- e) The Bidder(s)/Contractor(s) will, when presenting his bid, disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the Contract.
- 3) The Bidder(s)/Contractor(s) will not instigate third persons to commit offences outlined above or be an accessory to such offences.
- 4) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm indulge in fraudulent practice **means a willful misrepresentation or omission of facts or submission of fake/forged documents in order to induce public official to act in reliance thereof, with the purpose of obtaining unjust advantage by or causing damage to justified interest of others and/or to influence the procurement process to the detriment of the Government interests.**
- 5) The Bidder(s)/Contractor(s) will not, directly or through any other person or firm use Coercive Practices (means the act of obtaining something, compelling an action or influencing a decision through intimidation, threat or the use of force directly or indirectly, where potential or actual injury may befall upon a person, his/ her reputation or property to influence their participation in the tendering process).

Article 3: Consequences of Breach

Without prejudice to any rights that may be available to the Principal/Owner under law or the Contract or its established policies and laid down procedures, the Principal/Owner shall have the following rights in case of breach of this Integrity Pact by the Bidder(s)/Contractor(s) and the Bidder/ Contractor accepts and undertakes to respect and uphold the Principal/Owner's absolute right:

- 1) If the Bidder(s)/Contractor(s), either before award or during execution of Contract has committed a transgression through a violation of Article 2 above or in any other form, such as to put his reliability or credibility in question, the Principal/Owner after giving 14 days' notice to the contractor shall have powers to disqualify the Bidder(s)/Contractor(s) from the Tender process or terminate/determine the Contract, if already executed or exclude the Bidder/Contractor from future contract award processes. The imposition and duration of the exclusion will be determined by the severity of transgression and determined by the Principal/Owner. **Such exclusion may be forever or for a limited period as decided by the Principal/Owner.**
- 2) **Forfeiture of EMD/Performance Guarantee/Security Deposit:** If the Principal/Owner has disqualified the Bidder(s) from the Tender process prior to the award of the Contract or terminated/determined the Contract or has accrued the right to terminate/determine the Contract according to Article 3(1), the Principal/Owner apart from exercising any legal rights that may have accrued to the Principal/Owner, may in its considered opinion forfeit the entire amount of Earnest Money Deposit, Performance Guarantee and Security Deposit of the Bidder/Contractor.
- 3) **Criminal Liability:** If the Principal/Owner obtains knowledge of conduct of a Bidder or Contractor, or of an employee or a representative or an associate of a Bidder or Contractor which constitutes corruption within the meaning of IPC Act, or if the Principal/Owner has substantive suspicion in this regard, the Principal/Owner will inform the same to law enforcing agencies for further investigation.

Article 4: Previous Transgression

- 1) The Bidder declares that no previous transgressions occurred in the last 5 years with any other Company in any country confirming to the anticorruption approach or with Central Government or State Government or any other Central/State Public Sector Enterprises in India that could justify his exclusion from the Tender process.
- 2) If the Bidder makes incorrect statement on this subject, he can be disqualified from the Tender process or action can be taken for banning of business dealings/ holiday listing of the Bidder/Contractor as deemed fit by the Principal/ Owner.

- 3) If the Bidder/Contractor can prove that he has resorted / recouped the damage caused by him and has installed a suitable corruption prevention system, the Principal/Owner may, at its own discretion, revoke the exclusion prematurely.

Article 5: Equal Treatment of all Bidders/Contractors/Subcontractors

- 1) The Bidder(s)/Contractor(s) undertake(s) to demand from all subcontractors a commitment in conformity with this Integrity Pact. The Bidder/Contractor shall be responsible for any violation(s) of the principles laid down in this agreement/Pact by any of its Sub-contractors/sub-vendors.
- 2) The Principal/Owner will enter into Pacts on identical terms as this one with all Bidders and Contractors.
- 3) The Principal/Owner will disqualify Bidders, who do not submit, the duly signed Pact between the Principal/Owner and the bidder, along with the Tender or violate its provisions at any stage of the Tender process, from the Tender process.

Article 6- Duration of the Pact

This Pact begins when both the parties have legally signed it. It expires for the Contractor/Vendor 09 Months after the completion of work under the contract or till the continuation of defect liability period, whichever is more and for all other bidders, till the Contract has been awarded.

If any claim is made/lodged during the time, the same shall be binding and continue to be valid despite the lapse of this Pacts as specified above, unless it is discharged/determined by the Competent Authority, I.I.T. Jodhpur.

Article 7- Other Provisions

- 1) This Pact is subject to Indian Law, place of performance and jurisdiction is the Headquarters of the Division of the Principal/Owner, who has floated the Tender.
- 2) Changes and supplements need to be made in writing. Side agreements have not been made.
- 3) If the Contractor is a partnership or a consortium, this Pact must be signed by all the partners or by one or more partner holding power of attorney signed by all partners and consortium members. In case of a Company, the Pact must be signed by a representative duly authorized by board resolution.
- 4) Should one or several provisions of this Pact turn out to be invalid; the remainder of this Pact remains valid. In this case, the parties will strive to come to an agreement to their original intentions.
- 5) It is agreed term and condition that any dispute or difference arising between the parties with regard to the terms of this Integrity Agreement / Pact, any action taken by the Owner/Principal in accordance with this Integrity Agreement/ Pact or interpretation thereof shall not be subject to arbitration.

Article 8- LEGAL AND PRIOR RIGHTS

All rights and remedies of the parties hereto shall be in addition to all the other legal rights and remedies belonging to such parties under the Contract and/or law and the same shall be deemed to be cumulative and not alternative to such legal rights and remedies aforesaid. For the sake of brevity, both the Parties agree that this Integrity Pact will have precedence over the Tender/Contact documents with regard any of the provisions covered under this Integrity Pact.

30. No escalation clause i.e, clause 10CC of IITJ/CPWD GCC form 7/8 is applicable in this NIT/ Contract.
31. **Security deposit @2.5% will be deducted for entire gross work done including extension period if any, from each installment however, earnest money deposit will be adjusted to security deposit.**
32. 1% (one percent) cess towards labour welfare fund or as applicable, income tax as applicable and other taxes/ statutory recoveries as applicable will be deducted from the bill of contractor.
33. Non-Judicial stamp paper worth Rs. 10/- (Ten Rupees only) will be submitted by contractor which will have to be signed as token of acceptance.
34. No T & P would be supplied by the Institute and contractor will have to make his own arrangement.
35. The contractors are advised to get acquainted with the proposed work including specifications & its site and additional conditions carefully before quoting. No claim of any sort shall be entertained or account of any site conditions and ignorance of specifications & additional conditions. The work shall be carried out as per the availability of site.

36. The work shall be carried out as per CPWD specifications for civil and electrical work with up – to date correction slips unless otherwise specified in the nomenclature of individual item or in the specification, additional conditions where specifications are silent, the decision of Engineer-in-Charge shall be final and binding on contractor.
37. The rates quoted by the contractor shall be taken as net and nothing extra shall be paid on any account i.e Royalty, Cartage, GST & stacking of material required at places etc. The rates for different items of work shall apply for Heights & Depths, Leads & Lifts unless otherwise specified in the agreement or specifications applicable in the agreement.
38. Articles manufactured by the reputed firms and approved make list in tender.
39. The sample of material required in the work brought at site shall be got approved from Engineer –in-Charge before use in execution of work.
40. All the required materials shall be got checked & approved by the Engineer-in-charge on receipt of the same at site before use and rejected material is to be removed from the site immediately.
41. The sample of material required for Testing shall be provided at free of cost by the contractor. Testing charges if any shall be borne by the IIT Jodhpur if satisfactory report and if test results are unsatisfactory than testing charges shall be deducted from bills of contractor. All other expenditure to be incurred for taking sample, conveyance, packing etc. shall be borne by the contractor.
42. The contractor shall submit a detailed program of work within 7 days of the date of award of work. The Engineer – in- Charge can modify the program and the contractors have to work accordingly.
43. The contractor shall make his own arrangement for getting the permission with respect to trucks from the Traffic Police.
44. No payment shall be made to contractor for any damage caused by the rain or any other natural causes what so ever during the execution of work.
45. Some restrictions may be imposed by the security staff of IIT Jodhpur etc. on the working and on movement of labour & material. **No labour camp/ huts shall be allowed in IIT Jodhpur. The contractor shall make his own arrangement for labour huts outside the campus.** However, constructions of cement godown and Chowkidar’s hut in the Campus shall be permitted. The contractor shall be bound to follow all such restrictions/ instructions and nothing shall be payable on this account.
46. The contractor shall be fully responsible for the safe custody of the material issued or brought at site by him for doing the work.
47. The Malba / Garbage generated at site due to construction activities shall be removed from the site immediately & shall be disposed off by the contractor to the approved dumping site of Jodhpur Municipal Corporation and all statutory approvals from local bodies shall be a sole responsibility of contractor.
48. The contractor shall clean the site thoroughly of scaffolding materials, rubbish, equipment’s left out of his work & dress the site around the building to the complete satisfaction of the Engineer-in-Charge before the work is treated as completed.
49. Water charges @ 1% and Electricity charges @ 0.5 % of gross work done shall be deducted from bills of contractor if electricity and water provided by IIT Jodhpur for this work.
50. Agency has to take proper safety measures during the execution of work.
51. IITJ/CPWD GCC form 7/8 shall form part of NIT and the bidder shall go through GCC before quoting rates and the same shall be deemed to be accepted by bidder if he participates in the tender.
52. ESI & EPF shall be reimbursed as per norms on production of original receipt of ESI & EPF from contractor specific to this work.
53. The contractor shall submit the program of execution of work as per clause 5 of IITJ/CPWD GCC form 7/8 of NIT including list of workers to be deployed by contractor for this work.
54. Contractor shall be responsible for keeping site free of any kind of mosquito breeding. If it is found that breeding is taking place the entire responsibility shall be of contractor to bear challan etc. done by local bodies.
55. All the statutory obligations which is not covered in the bid document shall be reimbursed on actual basis after submission of proof of payment.

56. The rates for different items of work shall apply for all Heights & Depths, Leads & Lifts unless otherwise specified in the agreement or specifications applicable in the agreement. The Agency/ Firm must visit site (internal or external) area before quoting rates.
57. Final payment shall be released only after satisfactory completion of work.
58. Failure to comply any of the above clauses or due to unsatisfactory performance as observed by Engineer-in-charge, the contract shall be terminated at any stage without assigning any reason thereof.
59. The work is Annual Repair and Maintenance of DG sets installed at various Substations at IIT Jodhpur, thereby, validity for the work shall be 01 year from the date of commencement. Accordingly, the contractor shall attend the complaints as and when required basis throughout the year, if the work/complaint is not attended within the given timeframe, then a penalty/recovery shall be imposed as under: -
 - a. **If the Routine maintenance is not carried out as per schedule @ 1000/- per day for delay;**
 - b. **If B-Check or servicing is not carried out on scheduled time @1000/- per day per DG set;**
 - c. **After complaint lodge for any breakdown not reported at site within 24 Hours @1000/- per Day;**
 - d. **If required spare not provided within 72 Hours after visit of site, then @1000/- per day.**
60. Inventory list of material used for maintenance shall be prepared and submitted by the contractor at the time of submission of bill along with detail location of Institute premises. Bill shall be prepared on actual inventory used at site for maintenance/new work. If the items which are stored/brought at site for maintenance but could not be used at site during the contract time, the same shall be taken over by IITJ as per discretion of Engineer In-charge and accordingly payment shall be made to the contractor.
61. If any employee of the contractor goes to any court/conciliation officer/labour court or another legal authority etc. in or anywhere in India at any time under this contract the department shall not be made a party of it in any way by the employees of the contractor or by contractor himself. This fact should be clearly and legally told to all his employees by the contractor, and the contractor shall be fully responsible for all losses/damages, misconduct etc. arise on this contract.
62. The contractor shall pay all legal wages/dues/allowances to all his employees always covered under this contract and can quote his rates accordingly in this tender/offer. The contractor should not deny such things to any of his employees on the pretext that such things are not covered by the present contract/agreement.
63. The cleaning of the entire system components, its various equipment's and Components, control panels, rooms etc. shall always be the responsibility of the contractor. All the materials needed for it like brooms, cleaning powder, dhotis, cotton waste etc., shall be arranged by the contractor at his own cost.

70. Some of the Installation is under Defect Liability Period, it is the duty of contractor to provide the details of defect occurred of non-consumable items immediately to IITJ Engineer of work. The DLP

- Agency shall provide the replacement of defective material and contractor must install it on timely basis without any extra cost.
71. Institute reserves the right to remove /reduced/or increases the scope of work at any time.
 72. GCC and other relevant clauses / manuals of CPWD shall be part of this Tender document unless and otherwise specified.
 73. Material make list should be as per approved material given in the tender, until or unless individual items make/model no. specified in BOQ.
 74. Final payment shall be made only after satisfactory completion of work up to the satisfaction of Engineer in-charge.
 75. Failure to comply with any of the above clauses or due to unsatisfactory performance as observed by Engineer-in-charge, the contract shall be terminated at any stage without assigning any reason thereof.
 76. The OEM/authorized dealer shall attend all breakdown as when required on registered complaint over call or etc as required.
 77. The contractor shall provide the preventive maintenance report, Servicing report, any breakdown report, spare replacement report during visit the IIT J Site.
 78. The lubricating oils for top -up in the D.G. sets shall be supplied by the contractor during normal office hours on demand and the contractor shall keep its accounts in the log-books.
 79. In case of unsatisfactory performance or non-completion of works by the associated agency, the contractor shall replace the agency on written directions of the Department, with prior approval of the Superintending Engineer, IIT Jodhpur.
 80. The contractor shall ensure continuity of guarantees, warranties, and technical compliance for all DG equipment already supplied or installed.
 81. Any equipment rendered redundant / un-installable / un-commissionable due to change of agency shall be replaced by the contractor at no extra cost to IIT Jodhpur.
 82. The contractor shall ensure continuity of guarantees, warranties, and technical compliance for all DG equipment already supplied or installed.
 83. No change of OEM / Authorized Dealer shall be permitted without prior written approval of the competent authority.
 84. **The Agency / Firm / OEM shall be fully responsible for any damage or incident to the DG set(s) during the contractual period and shall bear all consequential liabilities.**

Additional Terms and Condition for Electrical works/ DG Service-

1. The order of preference in case of any discrepancy as indicated in condition no. 1 under “Terms and Conditions of contract” given in the Standard CPWD Contract form may be read as the following:
 - a. Nomenclature of item as per Schedule of Quantities/ BoQ.
 - b. Additional specifications, particular specifications and special conditions for Electrical Works.
 - c. General conditions.
 - d. Contract Clauses of General conditions of contract for CPWD 2023.
 - e. CPWD specifications for electrical works 2023 part- I CPWD General specifications for Electrical works, Part-I (Internal)-2013, Part-II (External)- 2005 and Part VII D.G. Sets - 2013 or as applicable.
 - f. Architectural/structural drawings and specifications mentioned in drawings.
 - g. Indian standard specifications of BIS.
 - h. Sound engineering practice as per directions of the Engineer-in-charge.
 - i. Manufacturer’s specifications.
2. A reference made to any Indian Standard Specifications in these documents, shall imply reference to the latest version of that standard, including such revisions/amendments as issued by the Bureau of Indian Standards upto last date of receipt of tenders. The contractor shall keep at his own cost all such publications of relevant Indian Standards applicable to the work at site.
3. The main contractor shall engage eligible contractor for electrical work. The main contractor shall not indulge in procurement of electrical items and getting the work done on labour contract with the electrical contractor. The whole electrical component shall be executed by the eligible electrical contractor on a turnkey basis i.e. procurement of material & engaging labour. The associate electrical contractor shall submit the completion certificate of electrical work executed by him alongwith necessary test reports, completion plan etc.
4. The contractor shall take all safety precautions to avoid accidents by exhibiting caution boards, red flags, red lights and by providing necessary barriers and all other measures required from time to time. The contractor shall be responsible for all damages and accidents due to negligence on his part.
5. The contractor shall give due notices to Municipality, Police and/or other authorities that may be required under the law/rules under force and obtain all requisite permissions/licenses for temporary obstructions/enclosures and pay all charges which may be leviable on account of his execution of the work under the agreement. Nothing extra shall be payable on this account.
6. The contractor shall leave such recesses, holes, openings, etc., as may be required for the electric, air-conditioning and other related works. (For this purpose any required inserts, sleeves, brackets, conduits, base plates, insert plates, clamps etc. shall be arranged by the contractor and fix the same at the time of casting of concrete, stone work & brick work, if required, and nothing extra shall be payable on this account.
7. The contractor shall give a trial run of the equipment’s and machinery for establishing its capability to achieve the specifications within laid down tolerances to the satisfaction of the Engineer-in-charge before commencement of work.
8. The work will be carried out in close coordination with the building work and other agencies. Conduits will be laid in the slab within the specified time and it will have to be ensured that the casting of slabs is not delayed for want of laying of conduits. The conduits will also be laid in walls before the Plaster work is undertaken so as to avoid breaking cutting of plaster while making chase for laying of conduits subsequently. The contractor will have to employ adequate labour for carrying out the work. No claim regarding the idle labour for any reason will be entertained by the Department.
9. All tools, plant and machinery provided by the contractor shall, when brought at the site, be deemed to be exclusively intended for the construction and completion of this work and the contractor shall not remove the same or any part thereof (save for the purpose of moving it from one part of the site to another) without the consent of the Engineer-in-charge.

10. No foreign exchange shall be made available by the department for the purchase of equipment, plants, machinery, materials of any kind or any other items required to be carried out in execution of work.
11. The contractor shall carry out his work, so as not to interfere with or hinder the progress or completion of the work being performed by other contractor (s) or by the Engineer-in-charge and shall as far as possible arrange his work and shall place and dispose off the materials being used or removed, so as not to interfere with the operations of other contractors, or he shall arrange his work with that of the others in an acceptable and coordinated manner and shall perform it in proper sequence to the entire satisfaction of Engineer-in-charge.
12. All items, which are not covered while carrying out electrical work shall be removed and cleared by the contractors as soon as the work is completed.
13. The contractor shall give the Engineer-in-charge in every fortnight, a progress report of the work done during the previous fortnight. The progress of work will be reviewed periodically by the Engineer-in-charge with the contractor and shortfalls, if any, sorted out. The contractor shall thereupon take such action as may be necessary to bring back his work to schedule without any additional cost to the department.
14. It shall be responsibility of the main contractor to sort out any dispute involved with the associated contractor without any time and cost overrun to the department. The main contractor shall be solely responsible for settling the dispute/litigation arising out of his agreement with the associate contractor. The contractor shall ensure that the work shall not suffer on this account.
15. The main contractor shall be responsible for coordinating the activities of all works and essential progress of works as per milestone and laid down program.
16. The contractor shall be responsible for the watch and ward of the site/property/material provided by him and materials issued by the department against pilferage and breakage during the period of execution and thereafter till the work is completed and physically handed over to the department.
17. The contractor shall ensure quality construction in a planned and time bound manner. Any sub-standard material or work beyond set out tolerance limits shall be summarily rejected by the Engineer-in-charge.
18. The contractor shall be required to make a sample of required job for each type at the earliest opportunity using all approved materials for approval of Engineer in charge before mass scale finishing works are taken up.
19. Even ISI marked materials shall be subjected to quality test at the discretion of the Engineer-in-charge besides testing of other materials as per the specifications described for the item/material. Whenever ISI marked materials are brought to the site of work; the contractor shall, if required by the Engineer-in-charge, furnish manufacturers test certificates to establish that the materials procured by the contractor for incorporation in the work satisfy the provisions of IS codes relevant to the material and/or the work done.
20. The contractor shall have to engage well experienced skilled labour and deploy modern T&P and other equipments to execute the work.
21. The firm shall use only electrically operated chase cutting machine for cutting the chases in the wall for recessed conduit wiring.
22. The contractor will have to make his own arrangement for storage of materials. No storage space shall be provided by department.
23. The contractor will have to make his own arrangement for water and power supply for execution of works.
24. The contractor will have to ensure that the skilled labour i.e. wireman etc., engaged in the execution of the work must possess valid electrical license, otherwise he will not be permitted to execute the work.
25. The associate contractors executing the electrical works must possess the valid electrical contractor license otherwise they will not be permitted to execute the electrical works.
26. Priority to arrange the material shall be decided by the department. However, material required for the work shall be brought at site only at the appropriate time keeping in view the progress of

- building works as well as Electrical & Mechanical works. Decision of Engineer-in-charge in this regard shall be final.
27. The contractor has to intimate his authorized representative, who will be receiving instructions in his absence. The contractor /his authorized representative is bound to sign the site order book as and when required by the Engineer-in-charge and to comply with the instructions therein.
 28. Suitable back plates providing for fixing the wall brackets and ceiling flush fittings shall be supplied by the contractor free of cost.
 29. It shall be responsibility of contractor to provide polythene/PVC plastic cover for all SDBs/meter boards/feeder pillars/panels etc. so as to protect them from wear & tear/damage during execution stage. Contractor shall provide the covers for the materials if any being supplied departmentally also. Nothing extra shall be paid on this account.
 30. Contractor is fully responsible for any kind of damage to the LT/HT cable during execution of work. No joints shall be allowed if the cable is damaged. Contractor has to replace the full length at his own cost.
 31. The MCB should be of same make as that of MCB DBs.
 32. Colour coding shall have to be adopted in the wiring system as per specification.
 33. Tinned copper earthing lugs/Thimbles/ferrules shall be provided for termination of earth wire to all Metallic outlet boxes/fittings/fixtures/fan regulator/MCB DB/switch board/Meter board etc., properly crimped/brazed/soldered for which nothing extra shall be paid.
 34. Suitable crimping tools shall be used for crimping the lugs/thimbles/ferrules. Nothing extra shall be paid on this account. The lugs/thimbles/ferrules pressed by conventional/ordinary pliers shall not be accepted.
 35. A suitable brass/tinned copper neutral link shall be fixed at suitable place in the metallic outlet boxes of all sizes to terminate neutral wire properly. Nothing extra shall be paid on this account.
 36. An earth termination with earth stud of brass/tinned copper i/c 2 no. metallic washers or suitable earth bar of Brass/tinned copper with tinned copper thimbles/ferrules/lugs should be suitably fixed at suitable place in the Metallic outlet box for termination of protective earth conductor. Nothing extra shall be paid on this account.
 37. In the outlet boxes, phase from one switch to other switch shall be looped with suitable size of solid copper conductor. Nothing extra shall be paid on this account. Stranded conductor shall not be accepted.
 38. Only required number of knockouts should be removed from Metallic outlet boxes for entry of conduits. If more than required number of knockouts are removed, the Metallic outlet box shall not be accepted.
 39. Separate G.I. boxes shall be used for staircase light switches and bell push. Nothing extra shall be paid on this account.
 40. Metal sheath of Co-axial T.V. cable shall be terminated using 'U' shape thimble/lugs/ferrules. Nothing extra shall be paid on this account.
 41. To facilitate drawing of wires 16/18 SWG GI fish wire be provided along with laying of recessed conduit. Nothing extra shall be paid on this account.
 42. Cable connection to switch gear is deemed to be included in the item of end termination. No extra payment shall be made for that.

LIST OF APPROVED MATERIALS (Electrical):

S. No.	Material	Approved Makes
1	DG sets spare and servicing material required for DG sets/.	As per OEM of Kirsloskar or Cummins

Note: Superintending Engineer, IIT Jodhpur reserves the right to add or delete any material and brands in the list of preferred material/brands on the recommendation of Engineer-In -charge.

SCOPE OF WORK

1. Support of genuine spare parts, for routine and break down maintenance.
2. Routine and preventive maintenance as per recommendations laid down by the manufacturer.
3. Once in every month, bidder shall depute a Service Engineer at site for DG health monitoring checks.
4. The complaints received shall be attended within 24 hours of their receipts whereas major repairs shall have to be rectified within 03 days.
5. Unlimited free of cost breakdown visit.

Sr. No.	Description of System	Description of task
1	Lube Oil system	<ol style="list-style-type: none"> 1) Check for Lube oil level 2) Check for leakages if any on the filters 3) Check for the tightness of the filters
2	Fuel system	<ol style="list-style-type: none"> 1) Check for the tightness of the filter 2) Check Pre filter (only during W2 routines) 3) Fuel level in the day tank 4) Visual inspection of the system pipe work and flexible fuel hoses 5) Check for any apparent leakages on fuel system lines 6) W2 routines - A check B check C check
3	Coolant System	<ol style="list-style-type: none"> 7) Inspect for leakages on the Engine coolant system if any 8) Inspect for leakages on the Charge air coolant system if any 9) Check for the Coolant level on the radiator I Expansion tanks for Engine Jacket water I Charge Air 10) Check concentration of coolant 11) Check condition of rubber hoses and flexible coolant lines for any damage 12) Check ph value of coolant in use 13) Visual inspection of any leakages on the radiator / Heat exchanger 14) Visual inspection of the V-belts on the radiator for any apparent damages
4	Exhaust System	<ol style="list-style-type: none"> 1) Visual inspection of exhaust manifolds 2) Check for leakages if any on exhaust manifolds 3) Visual inspection of compensator bellows for any leakages of exhaust system or damage 4) Visual inspection of exhaust lines near silencer etc. for any apparent leakages 5) Check for exhaust smoke
5	Air Intake to the Engine	<ol style="list-style-type: none"> 1) Visual Inspection of Air filters 2) Visual inspection for flexible bellows on air intake system for any apparent damages. 3) Check for any abnormal noises on turbochargers during running. 4) Visual inspection of rubber bellows on exhaust system near turbochargers. 5) Check and clean Crank case breather filter if required
6A	Starting System	<ol style="list-style-type: none"> 1) Check for tightness / condition of the connections for controls on the starter and starting solenoid. 2) Check for connections on the engine mounted Battery charging alternator. 3) Visual inspection of the battery charging alternator Check tightness of the V-belt on the alternator. 4) Check the condition of the batteries.

6B	Engine Control System	<ol style="list-style-type: none"> 1) Check for tightness of connections on all the engine mounted sensors. 2) Examine engine wiring for any apparent damages Check for any apparent leakages on the sensors. 3) Check for the tightness of the connections on the control supply voltage for its correctness . 4) Instrumentation/ gauges on the control panel for their correct operation
7	Engine Operation	<ol style="list-style-type: none"> 1) Start Engine and check engine operation. 2) Check for any abnormal noise during running Check Engine speed. 3) Check and record pressures. 4) Check and record temperatures.
8	Alternator	1. General Inspection and house keeping

**Schedule of Routine & Major Maintenance for DG Set
(A/B/C Check)**

A. A - CHECK (Daily/Weekly Routine Maintenance)

The contractor shall carry out the following checks:

1. Checking engine oil level and topping up if required.
2. Checking coolant level in radiator and topping up with recommended coolant.
3. Checking fuel level, leakage, and condition of fuel lines.
4. Checking battery electrolyte level, terminal tightness, and voltage.
5. Checking fan belt / alternator belt tension and condition.
6. Checking exhaust system for leakage, abnormal noise, or vibration.
7. Checking control panel meters, indications, alarms, and safety trips.
8. Visual inspection of air cleaner and intake system.
9. Checking abnormal smoke, overheating, vibration, or noise.
10. Test run of DG set and recording operating parameters.

B. B - CHECK (Quarterly Maintenance)

In addition to A-Check, the following works shall be carried out:

1. Cleaning / replacement of air filter element as required.
2. Draining water and sediments from fuel tank and fuel filter.
3. Checking and cleaning fuel filter and sediment bowl.
4. Checking alternator bearings and lubrication where applicable.
5. Checking AVR operation, output voltage, and frequency stability.
6. Checking engine mounting bolts, foundation bolts, and alignment.
7. Cleaning radiator fins using compressed air / water jet.
8. Checking starter motor and charging alternator operation.
9. Checking earthing system of DG set, control panel, and body.
10. Tightening of all electrical and mechanical fasteners.

C. C - CHECK (Yearly Preventive Maintenance)

In addition to A & B Checks, the following shall be carried out:

1. Replacement of engine oil with OEM-recommended grade.
2. Replacement of oil filter, fuel filter, and air filter.
3. Cleaning of fuel tank and complete fuel line system.
4. Checking injectors and calibration if required.
5. Checking cylinder compression and engine performance.
6. Measuring insulation resistance (IR value) of alternator windings.
7. Checking exhaust silencer condition and repainting if required.
8. Checking radiator hoses, clamps, and coolant flushing.
9. Load testing of DG set and recording electrical parameters.
10. Submission of detailed service report and test records.

Note: Any spare parts required for maintenance, repair, or overhauling of the DG set (including A, B, C, and D checks) which are not included in the AMC scope/BOQ shall be paid separately by IIT Jodhpur on actual basis, strictly as per original GST invoice issued by the OEM / authorized dealer, after due certification by the Engineer-in-Charge.

Prior written approval of the Engineer-in-Charge shall be obtained before procurement of any spare parts.

Schedule of Quantities

S. No.	Description	Qty	Unit	Unit Price	Amount	DSR/ Non DSR
I	Scope of Work for Non-Comprehensive Annual Maintenance Contract (AMC)					
	for KIRLOSKAR / SUDHIR Make Diesel Generator (DG) Sets					
1	<p>The contractor shall carry out Non-Comprehensive Maintenance of KIRLOSKAR/SUDHIR make DG Sets of various capacities as detailed in the schedule of work, along with all associated electrical and electronic equipment, controls, and accessories. The maintenance shall be performed strictly in accordance with OEM recommendations, approved maintenance procedures, and the terms and conditions of this contract. The contractor shall maintain detailed service records and obtain service reports duly signed by the Engineer-in-Charge (IIT Jodhpur).</p> <p>1. Annual Maintenance Contract of Service</p> <p>The AMC shall include one (01) major service per year for each DG set. This service shall include, but not be limited to:</p> <p>a. Replacement of all filters, including:</p> <p>i) Oil filter ii) Lube oil filter iii) Air filter iv) Coolant filter v) Water separator</p> <p>b. Replacement of required consumables, including:</p> <p>i) Lube oil ii) Coolant iii) Distilled water (if required)</p> <p>No additional payment shall be made towards consumables, service spares, preventive maintenance visits, or breakdown visits covered under this AMC.</p> <p>2. Quarterly Preventive Maintenance (PM)</p>					

	<p>The contractor shall carry out four (04) Preventive Maintenance visits per year (one every quarter) for each DG set.</p> <p>The PM visit shall include:</p> <p>i) Routine inspection ii) Functional checks iii) Parameter monitoring iv) Cleaning and tightening v) Rectification of faults detected during PM</p> <p>Attending all breakdown calls as and when required, without any additional charge.</p>					
	3. Repair and Replacement of Faulty Parts (Beyond AMC Scope)					
	<p>a.) Any major faulty parts/spares not covered under the Non-Comprehensive AMC shall be replaced by the contractor only with OEM/ Authorized Dealer genuine parts.</p> <p>b.) Cost of such parts shall be borne by IIT Jodhpur at actual OEM/ Authorized Dealer invoice value, without Contractor's Profit (CP) and Overheads (OH).</p> <p>c.) Prior approval of the Engineer-in-Charge shall be obtained before replacement of any such part.</p>					
	4. General Obligations of the Contractor					
	<p>a.) Maintenance shall be carried out strictly as per OEM practice for A-Check, B-Check, C-Check, or equivalent schedules.</p> <p>b.) All tools, testing instruments, manpower, and safety equipment required for maintenance shall be arranged by the contractor.</p> <p>c.) All complaints must be attended to within the response time specified in the tender/NIT.</p> <p>d.) The contractor shall maintain proper documentation, including logbooks, PM reports, and breakdown reports, and submit them to IITJ after every visit.</p>					
	5. Compliance and Records					
	The contractor shall maintain a complete set of maintenance documentation, including test reports, service records, spare replacement records, and OEM-compliant checklists. All documents must be duly signed and submitted to the Engineer-in-Charge after each service/visit.
